

A young child, likely a girl, is the central focus of the image. She is wearing a bright pink quilted winter jacket and a matching pink knit beanie with a small floral pattern. She is looking down at a colorful toy bucket she is holding in her right hand. The bucket is yellow with a red handle and a blue rim. The background shows an outdoor setting with a building and some greenery. A large, stylized graphic element, consisting of a black triangle with a grey border, points upwards from the bottom right corner towards the child.

---

## 2 Year Old Scheme – list of childcare providers

---

If you are on a benefits/ low income, your child may be able to get 15 hours free childcare during term-time. Ask your local children's centre or phone FIS on 020 8820 7590 to see if you are eligible. If you are eligible then you will need to fill out a form and find a childminder, or nursery or playgroup **from this list**. This list is up-dated on the 1st day of every month. For a current copy phone FIS on 020 8820 7590.

**Childminders** – are people who look after your child in their own home. They are all inspected and trained in first aid, health and safety, basic child development, nutrition, child protection and equal opportunities. Some of the benefits of childminders are their flexibility, small numbers of children, and the way they can provide a home-like environment. They may build a long term relationship with your family, perhaps taking them to and from nursery and school as they get older.

**Nurseries** – are organisations where your child will be looked after with a group of children. The staff will be qualified and the nursery inspected. Their usual opening hours are 8am to 6pm and so they could be useful if you are may need more childcare hours in future if you go to work.

**Playgroups** – are organisations where your child will be looked after with a group of children. The staff will be qualified and the playgroup inspected. They are usually open for half day sessions.

**Here are some suggested questions you could ask when considering which childminder or nursery or playgroup to choose:**

- Are they open all year? When do they close for holidays?
- What hours are they open?
- Are they welcoming and enthusiastic?
- Do the children look happy and busy?
- Are they well-equipped with toys in good condition?
- Is there a comfortable area where children can relax?
- What are their policies on managing behaviour, inclusion, safeguarding and complaints.
- What range of activities do they have? Will my child be able to play outside each day?
- What qualifications do they have?
- How do they encourage parents to be involved?
- Can I see a copy of your inspection report? ([www.ofsted.gov.uk/reports](http://www.ofsted.gov.uk/reports))
- What happens about meals and snacks.
- If your child has special needs – how would they meet this need?
- Do they have a settling in period when parents can stay with their child?
