

Breakfast and Afterschool Provision

Most primary schools now operate an 'extended day'. This means they offer care and education services for children from 8am - 6pm, either within the school or in partnership with other local organisations.

Before School: Breakfast Clubs are offered by many schools on a term time basis. They provide children with a healthy breakfast and also allow them to partake in play or leisure activities before the school day commences. Sessions generally cost between £1.00 and £4.00.

After school: Many schools offer extracurricular activities for children after school on a term time basis. These activities may be run by school staff or by an external company. Activities may range from; multi sports, ballet, football, cooking and arts and crafts sessions. The cost of activities vary, depending on the activity chosen for your child. For more information around extra curricular activities, you may wish to contact your child's school. Providing there is availability and the activity is suitable for their age, your child may wish to attend more than one after school extra curricular activity.

Many schools also offer After School care. This involves caring for your child after they have finished their school day up until 5.00pm - 6.00pm. Children are able to play with friends and partake in fun activities. Again, after school care may be run by school staff or by an external company. After school club care can be held on school premises or on premises external from the school. Children are generally provided with a healthy snack. Sessions generally cost between £4.00 and £15.00.

Tax credits: If you are paying for these clubs to look after your child whilst you are at work, then you may be able to get claim Tax Credits to help you with the costs. Contact them on www.hmrc.gov.uk/TAXCREDITS or 0845 300 3900.

Some of these clubs may run holiday playschemes during the summer or Easter holidays. Contact the Family Information Service for up-to-date information about holiday schemes one month before the holidays, education.hackney.gov.uk/content/after-school-and-holiday-clubs or 020 8820 7590.
