

# Breakfast and Afterschool Provision

Most primary schools now operate an 'extended day'. This means they offer care and education services for children from 8am - 6pm, either within the school or in partnership with other local organisations.

**Before school:** Breakfast Clubs (sometimes known as Early Bird clubs) offer breakfast and play or leisure activities usually starting at 8am. These usually cost between 50p and £2 a session and are now offered by many schools.

**After school:** Each school runs a range of activity clubs 1 day a week, for example sports, mathematics, drama, dance, usually until 4.30pm. These may vary over the course of the year. There are many free activities, some are charged. Ask your school office for more information. Schools also offer play centres or childcare, where your child can play with friends and experience a range of fun activities until 6pm, supported by qualified and experienced playworkers. (Sometimes this is called an "afterschool club", which is confusing as it is often the same name that it is used for the free one day a week clubs above). These cost between £3 and £9 a session (usually £5). If the school links with a local organisation to provide this service, then staff will escort the children between the school and their centre.

**Tax credits:** If you are paying for these clubs to look after your child whilst you are at work, then you may be able to get claim Tax Credits to help you with the costs. Contact them on [www.hmrc.gov.uk/TAXCREDITS](http://www.hmrc.gov.uk/TAXCREDITS) or 0845 300 3900.

Some of these clubs may run holiday playschemes during the summer or Easter holidays. Contact the Family Information Service for up-to-date information about holiday schemes one month before the holidays, [www.learningtrust.co.uk/childcare](http://www.learningtrust.co.uk/childcare) or 020 8820 7590.
