# FOREWORD

---

I am pleased to introduce our Holiday Activity and Food (HAF) programme report for our 2023-24 year of activities. The programme aims to provide healthy meals and enjoyable and stimulating activities for children and young people during the Easter, Summer, and Christmas Holidays.

The HAF Programme was established nationally in response to the growing concern about the lack of access to healthy food and engaging activities for children and young people during school holidays. Research has shown that children and young people from disadvantaged backgrounds are at a higher risk of food insecurity and social isolation during the holidays, which can have a negative impact on their health and well-being. This report details the positive impact the programme has had on children, young people and their families across Hackney.

In total, our wide range of settings in Hackney offered 63,202 meals and activity sessions over the year.

Our small and wonderful HAF team worked with schools and settings, Young Hackney, community groups and local grass-roots organisations to build a sustainable offer that benefitted the whole community in Hackney. We are particularly pleased to have extended the programme to our Orthodox Jewish Charedi community who offered 2,523 places through HAF this year.

Thank you to all our providers, council officers and dedicated steering committee who continue to contribute to the HAF programme, ensuring the best outcomes for our children and young people, across the Borough.

- Jason Marantz (Assistant Director of Education)

# INTRODUCTION

## The Holiday Activities and Food Programme

The [Holiday Activities and Food \(HAF\) Programme](#) is a national programme funded by the Department for Education, organising clubs, events and enriching activities based around physical activity, healthy eating and nutritional education, along with arts, crafts, activities, games and social events to help young people during school holidays.

While many clubs are open to all, those eligible for Free School Meals benefits can access the programme for free. In addition to this, local authorities may choose to spend up to 15% of their grant on those that they feel will benefit.

Over £200M is divided nationally between local authorities and boroughs each year, using the number of free school meals benefits eligible young people in each borough to determine the allocation amount.

Since 2022, the HAF Programme has delivered an incredible 10.7 million fun-filled days to young people across the nation. With each year expanded in reach, providing 5.4 million days between Christmas 2022, Easter, and summer 2023 alone.

## Who Can Join the Fun?

HAF is primarily for school-aged children from reception to year 11, and is completely free for those who receive benefits-related [free school meals](#) (FSM). For SEND pupils still in formal education, the maximum age extends to 18.

Those not eligible for benefits-related free school meals can also attend the majority of clubs, although some may charge a small fee per day.

Clubs are inclusive, and cater to SEND pupils, with some specialist clubs for those with complex needs.

# INTRODUCTION

## Aims of the Programme

Research has shown that school holidays can be challenging for many families, especially in a cost-of-living crisis, which often results in a holiday experience gap. Those from lower-income households are:

- Less likely to participate in organised out-of-school activities
- More prone to experiencing 'unhealthy holidays' in terms of nutrition and physical health
- More susceptible to social isolation, which in turn has a negative impact on the lives and development of young people

The HAF programme addresses this issue. Evidence suggests that free holiday clubs can positively impact children and young people and that these clubs are most effective when they:

- Provide consistent and easily accessible enrichment activities
- Offer more than just breakfast or lunch
- Involve children and parents in food preparation
- Leverage local partnerships and connections, particularly with the voluntary and community sector (VSCO).

## HAF Specification

With the above aims in mind, the HAF programme ensures that HAF providers offer young people:

- healthy and nutritious meals
- a healthy level of physical activity
- the chance to have fun and meet new friends
- develop a greater understanding of food, nutrition and other health related issues
- take part in fun and engaging activities that support their development and well-being
- feel safe and secure
- get access to the right support services
- return to school feeling engaged and ready to learn

# FUNDING

## Annual Funding / Spend Totals 2022/3

Total Grant Allocation: **£ 1,359,900.00**

Contingency Grant: **£0.00**

Vulnerable Spend %: **14.73%**

**A** | Face-to-face club provision: **£ 1,188,106.98**

**B** | Remote club provision: **£0.00**

**C** | Publicity and Coms: **£ 2,000.00**

**D** | Capital Expenditure: **£0.00**

**E** | Administration: **£ 132,702.92**

**F** | Other Costs: **£ 2,900.00**

## Annual Funding / Spend Totals 2023/4

Total Grant Allocation: **£1,383,150.00**

Contingency Grant: **£0.00**

Vulnerable Spend %: **14.33%**

**A** | Face-to-face club provision: **£ 1,215,917.06**

**B** | Remote club provision: **£0.00**

**C** | Publicity and Coms: **£3,000.00**

**D** | Capital Expenditure: **£0.00**

**E** | Administration: **£ 137,488.47**

**F** | Other Costs: **£ 2,800.00**

## Annual Funding / Spend Totals 2024/5

Total Grant Allocation: **£1,331,730.00**

# FUNDING

## Funding Category Definitions

<b>Total Grant Allocation</b>	This is the total amount of money awarded to Hackney for use on the HAF scheme for the financial year 2023/4
<b>Contingency Grant</b>	<p>Some years, the DfE had a contingency fund for winter HAF. This meant that if a borough spent above a certain percentage threshold of the total grant allocation during the spring and summer HAF offerings, they could apply for an extension to their grant allocation. This was approximately 5% extra funding, to either offer more places if there was capacity to do so, or to mitigate the risk of over-expenditure.</p> <p>There was no contingency grant allowed for 2023/4.</p>
<b>Face-to-Face Club Provision</b>	<p>This is the money that is given to the HAF clubs to operate. The funding is on a per-head and per-day basis only for those eligible for free school meals benefits or within the 15% allocation. Additional funding was given to support free school meals benefits eligible SEND children/young people. Some funding was also spent on resources, such as equipment.</p> <p>Hackney funds actual attendance only, rather than funding the number of booked places.</p>
<b>Remote Club Provision</b>	<p>This would be for clubs that operate online only</p> <p>Hackney did not operate any remote clubs in 2023/4.</p>
<b>Publicity and Communications</b>	<p>This is for any advertising conducted by the borough (rather than by the clubs themselves) and for any communications costs, such as graphic design for publications, posters, letters or flyers.</p> <p>Hackney had a two page advertisement in the Hackney Summer Guide. The decentralised nature of Hackney's offer, meant that the clubs conducted their own advertising to their existing client base within the community..</p>
<b>Capital Expenditure</b>	This is an allocation used to award extra funding to clubs to acquire, upgrade, or maintain physical assets such as sports equipment for use within the HAF clubs.
<b>Administration:</b>	This is for paying the costs of the staff that are directly involved in running Hackney HAF. This includes the HAF Coordinator, Deputy HAF Coordinator, Business Support Officers, Management, Accounts and Legal.
<b>Other Costs</b>	<p>Other costs (e.g., translations, transport, provider staff training, booking systems etc.)</p> <p>Most boroughs use a centralised booking system, however, Hackney has developed an in-house FSM checking database system which has negated the need to outsource this expensive task. The saving is therefore used to fund more places in the HAF clubs for young people. The accessibility of the scheme for the most financially vulnerable is also enhanced by this system.</p>

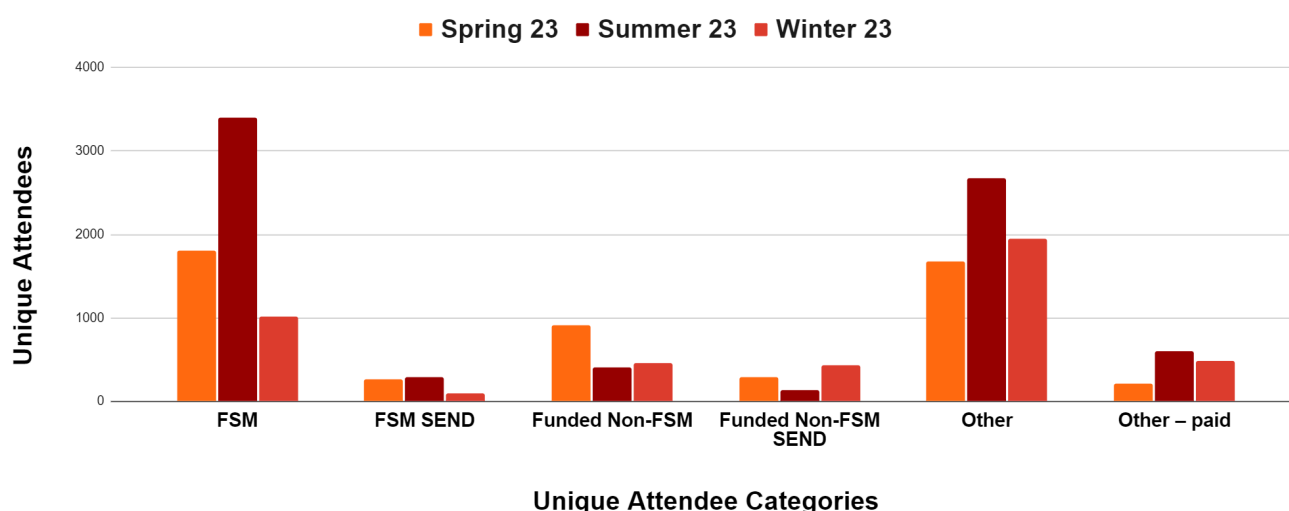

# ATTENDANCE AND REACH

## Unique Attendees Season Comparison

Unique Attendee Categories	Spring 23	Summer 23	Winter 23
FSM-eligible (Non-SEND)	1800	3400	1010
FSM-eligible (SEND)	266	288	91
HAF Funded Non-FSM (Non-SEND) eg. Charedi non-SEND or Vulnerable non-SEND	912	413	454
HAF Funded Non-FSM (SEND) eg. Charedi SEND or Vulnerable SEND	292	134	439
<b>TOTAL number of HAF-funded attendees [sum of the above four categories]</b>	<b>3270</b>	<b>4234</b>	<b>1994</b>
Other – paid for by the club	1672	2674	1954
Other – paid for by the young person / family	218	599	491
<b>TOTAL number of attendees [sum of all incl. other]</b>	<b>5160</b>	<b>7507</b>	<b>4459</b>

## Unique Attendee Definition

The DfE defines a unique attendee as any single person that attends at any point during the scheme, rather than as the sum of the total attendance on each day. The difference being that one young person may attend a club for sixteen days. In this example, the number of unique attendees that this young person accounts for would be counted as one rather than sixteen.

# ATTENDANCE AND REACH

## Total Number of Sessions (HAF days) Per Season

Total Number of Sessions (HAF Days)	Spring 23	Summer 23	Winter 23
Primary	9333	34546	2879
Secondary	2830	11756	1858
Total	12163	46302	4737

## Session (HAF Day) Definition

If one young person attends a club every day for 16 days, this is said to be 16 sessions or HAF days. Another way to think about this metric is the number of healthy, nutritious meals consumed.

Attendees Were  
Primary Aged**

# ATTENDANCE AND REACH

## Club Ward Distribution - 2023:

# INCLUSIVITY AND SEND

While HAF is primarily aimed at those eligible for free school meals benefits, Hackney aims to make this offer as inclusive as possible, with extensive provision for additional needs.

## Complex Needs Provision

Hackney HAF partners with a number of SEND specialist providers in the borough to offer activities for those with complex needs. These include

### Kids Hackney Adventure Playground

30 Spring Ln, London E5 9HQ

020 8806 6149

<https://www.kids.org.uk/>

### Step-By-Step

37 - 39 High Rd, London N15 6DS

020 8802 2362

<https://www.stepbystepkids.org.uk/>

### Misgav

1, 107 Dunsmure Rd, London N16 5HT

020 7998 3782

<https://misgav.org.uk/>

## SEND Teaching Assistant For Each Club

For SEND young people with less complex needs, Hackney provides funding for each HAF club to hire an additional SEND specific teaching assistant. Clubs which require more than one TA can also request additional funding for multiple SEND teaching assistants (awarded on a case-by-case basis where budget allows).

# FOOD EDUCATION

## Hackney School of Food

The Hackney School of Food was established in March 2020 by the LEAP Federation of Schools (Gayhurst Community School, Kingsmead Primary and Mandeville Primary) in partnership with the charity [Chefs in Schools](#). It was created by transforming a derelict and unused former caretaker's house into a professional kitchen and garden.

## Hackney School of Food

Oswald St, Lower Clapton, London E5 0BT  
020 8986 5249

<https://www.hackneyschooloffood.com/>

## Teaching the Teachers

Every year, Hackney HAF organises food educational programmes for the staff at HAF clubs, to empower them to teach cooking skills to young people in the most fun, effective, safe and engaging way. Many of the HAF clubs have on-site kitchens, so it is important to train the providers to deliver these essential skills.

The Hackney School of food presents a series of online classes for HAF provider staff, covering topics such as kitchen safety, how to teach young people to use a kitchen knife safely, suitable menu and recipe selection for all age groups, allergies and food intolerances.

# TRAINING AND GUIDANCE

## Level 2 Food Hygiene Certificate, Allergy Training and Food Standards

All HAF clubs are involved in either making or distributing food, and therefore are legally required to have a food hygiene certificate.

Hackney HAF will fund [level 2 certification](#) for providers.

All food provided as part of the HAF programme must:

- comply with regulations on food preparation
- take into account allergies and dietary requirements (see the [allergy guidance for schools](#))
- take into account any religious or cultural requirements for food

Free allergy training is made available via <https://allergytraining.food.gov.uk/>

## Safeguarding and Risk Assessment Refreshers

Safeguarding is paramount within Hackney's HAF clubs, therefore representatives from each of the clubs must attend a safeguarding refresher to ensure that clubs are compliant with [keeping children safe in education](#) guidance, run by Hackney Education's Safeguarding Consultant, James Sykes.

Topics covered include:

- How to identify if an incident has met threshold for referral to services
- Making Multi-Agency Safeguarding Hub referrals for safeguarding incidents
- Types of incidents to look out for
- What to do in an emergency
- What information to gather when an incident has taken place

Risk Assessment training is also provided by Hackney Education

## First Aid Refresher

[EMT First Aid](#) provide interactive first aid classes for all HAF club staff, teaching the essential skills needed to deal with a first aid emergency.

## Police Community Engagement Team

Officer's from the Metropolitan Police's Community Engagement Team are available to attend clubs and talk to the young people about their work in the borough and to give advice.

# STEERING GROUP

The steering group meets once per term to determine the direction of implementation for Hackney's HAF offer.

<b>Jason Marantz</b>	Assistant Director, School Standards and Improvement • School Performance and Improvement
<b>Pauline Adams</b>	Principle Head of Service (Early Help & Prevention) • Early Help & Prevention • Children, Adults and Community Health
<b>Claire Witney</b>	Strategic Lead • Strategic Delivery Team • Chief Executive's Directorate
<b>Lisa Atamian</b>	Grants and Investment Manager • Community Investment and Partnerships
<b>Sajeed Patni</b>	Head of Finance • Directorate Finance Team (CE AH&I)
<b>Louise Nichols</b>	Executive Headteacher for the LEAP federation schools
<b>Amar Bailey</b>	Assistant Headteacher of Stoke Newington School
<b>Khalil Daleel</b>	Metropolitan Police youth engagement team
<b>Kome Owusu</b>	Development Manager for the African Community School
<b>Susan Roberts</b>	HAF Coordinator • School Performance and Improvement
<b>Mark Lewis</b>	Deputy HAF Coordinator • School Performance and Improvement

# CORE GROUP

In addition to the steering group, the core group meets once per month to determine the direction of implementation for Hackney's HAF offer.

<b>Jason Marantz</b>	Assistant Director, School Standards and Improvement • School Performance and Improvement
<b>Pauline Adams</b>	Principle Head of Service (Early Help & Prevention) • Early Help & Prevention • Children, Adults and Community Health
<b>Susan Roberts</b>	HAF Coordinator • School Performance and Improvement
<b>Mark Lewis</b>	Deputy HAF Coordinator • School Performance and Improvement

# FEEDBACK

<b>Anytime childcare CIC ( Bubbles &amp; Smiles )</b>	"In comparison with other London boroughs, Hackney has the best approach and support provided"
<b>Tropical Isles</b>	"Just a little note to share how creativity and outdoor physical play form the core of our well-being ethos. It's wonderful how integrating a vast array of stimulating activities enriches our children's lives."
<b>Camp Knack</b>	Quote from MRS M. ' you were the best thing that happened to us' yp Miss N told us 'because of you I stopped eating sugar or sweets, I can't eat them anymore' Miss R told us 'being active is becoming part of my lifestyle'
<b>Parkwood Primary School - Skipz Productions cic</b>	"This is a really great programme and we have so much fun delivering it to our families. The families are forever grateful for the opportunity and children are taking part in activities they otherwise would not have access too."
<b>St John &amp; St James'</b>	"As it has been in the past, parent feedback was really positive. Parents and carers have fed back how much their child/ren had enjoyed the activities on offer. They noted how useful the camp offer is as the parents can sometimes struggle to find things to keep the children engaged and active during the holidays."
<b>Hackney Marsh Adventure Playground</b>	"We demonstrated our commitment to inclusivity and respect for religious observances by holding meals for our Muslim young people who were fasting during Ramadan. Understanding the significance of breaking fast at sunset, we ensured that meals were set aside for them. Upon their return to our playground at 5:30 PM, these young people were able to collect their meals and partake in breaking of the fast, providing them with a sense of belonging and support during this important time. This realisation underscores the importance of flexibility and responsiveness in our approach. By adapting to the unique circumstances and desires of our young people, we ensure that our offerings remain relevant and impactful. Our commitment to providing a welcoming space, delicious meals, and accommodations for religious observances reflects our dedication to supporting the well-being and enrichment of our community."
<b>The Mentoring Lab</b>	"As a grassroots organisation, HAF is crucial opportunity for us to directly support the most marginalised at risk communities, meeting them where they are to rebuild trust and relationships with statutory services."
<b>Vyoel Moshe Chessed Club Vishnitz</b>	"This time, due to the HAF funding, we gave tuna, eggs, tomato, cucumber, peppers, and warm milk drinks. We were amazed at how happy the children were with the healthy options especially as we have been promoting the benefits of healthy eating."

# PARTNERSHIPS

The Felix Project are London's largest redistribution charity, fighting against food waste and hunger in London. They rescue good, high quality, surplus food (the majority of which is fresh fruit and vegetables) from the food industry that cannot be sold and would otherwise go to waste and deliver it to hundreds of food banks, charities, primary schools and holiday programmes in London.

<https://thefelixproject.org/>

## AWARD-WINNING KITS ENABLE ANYONE TO GROW-THEIR-OWN FROM HOME

Named The Sunday Times **'Best Gardening Box'**, they contain all the seeds, pots, compost and instructions required to grow seasonal fruit, veg and herbs. Along with how-to videos and one-to-one WhatsApp support.

Hackney HAF purchased a number of these kits and distributed them to HAF clubs that expressed an interest in including these grow kits in their activities.

<https://www.potgang.co.uk/>

Shoreditch Trust run regular courses and workshops, organisation-wide events, launches and campaigns, focused on health, wellbeing and opportunities for people in Hackney.

<https://www.shoreditchtrust.org.uk/>

Hackney Tennis (HT) is a leading park-based tennis provider in the UK and a registered charity, responsible for delivering Tennis For All in the London Borough of Hackney and works in partnership with Hackney Council.

<https://www.hackneytennis.co.uk/>

# THE FUTURE

---

## DfE Funding

The current four year grant cycle for HAF is due to finish at the end of the current financial year in March 2025. It is not yet clear if there will be an extension of the scheme, and this is very unlikely to be determined until after the general election has been decided and the government outlines the parliamentary budget.

## HAF Provider Framework

Three years ago, Hackney Education set up a multi-year framework for club providers, to simplify the application process for running a club each season and to prevent the need to tender three times per year. A framework tender was conducted and providers were given a specification for the requirements for running a HAF club within Hackney, which included detailed descriptions of their club, financial scrutiny, safeguarding and policy checks. Applicants were scored according to the given specification and successful applicants were added to the HAF framework, meaning that they only need to submit a simple expression of interest to be included on a forthcoming season of HAF. Procurement law prevents new clubs from being added to the HAF scheme without a new tender, unless they are already operating within a Hackney based school.

The existing Hackney HAF provider framework is due to expire with the current DfE funding cycle on the 31st of March. 2025. Although we do not yet know if there will be further HAF funding and a continuation of the scheme, we have begun specifying a new multi-year HAF provider framework tender, which we hope will go live in September 2024 if there is a further HAF funding cycle in the next budget. If you wish to run a HAF club in Hackney, please check [www.londontenders.org/](http://www.londontenders.org/) in September 2024 for details on how to apply.
