

Admissions Policy 2022/23

1. Introduction

The school's published admission number (PAN) for admission in Year 7 is 120.

Catholic Education is Education for All.

We welcome students of all faiths and backgrounds that wish to join our community. Our school was founded by the Servite Sisters over 100 years ago to provide a Catholic Education for girls and young women in the local area. Their values, which include community, compassion and respect for diversity, are still at the core of the school today. Please visit our website to find out more about our Servite values:

<http://www.ourladys.hackney.sch.uk/servitevalues>

It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aim and ethos of this school. **This does not affect the right of an applicant who is not Catholic to apply for and be admitted to the school in accordance with the admissions arrangements; *Catholic education is education for all.***

2. Mission Statement

Our Lady's Catholic High School enables all in our school community to achieve their highest potential and prepares our students to become compassionate and caring citizens, aware of their global responsibilities.

We achieve this by maintaining high expectations of the individual, appreciating that we are all members of a diverse community, living our Catholic faith and embracing the Servite Values.

3. Admission Procedure

To apply for a place in this school, you must complete and return:

- Your local authority's e-admissions form which is available on the website of the local authority in which the family is resident (also at this address: www.eadmissions.org.uk). This form must be completed by the deadline set by the local authority – by the 31st October 2021.
- The OLCHS Supplementary Information Form (SIF) must be completed when applying under criteria 2, 3 or 5, which can be found on the school website, application pack from the school or local authority. This form must be completed and returned to the school address by the 31st October 2021.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹ excluding Year 12. The published admission number (PAN) for the school is 120 children. The Governing Body has sole responsibility for admissions to this school and intends to admit 120 children to Year 7 in September 2022.

4. Over subscription criteria

When the number of applicants exceeds the admission number, offers of places are made using the following criteria in order of priority:

1. **Catholic** looked after girls and previously looked after girls (see notes 1, 2 & 3)
2. **Baptised Catholic girls** with **a Certificate of Baptism** or a **certificate of reception** into the church

¹ This is for admission to the school at the start of the school year in September and not for application made in-year.

3. **Other looked after girls** and girls who have been adopted (or made subject to child arrangement orders or special guardianship orders) immediately following having been looked after
4. **Girls of other Christian denominations** whose membership is evidenced by a minister of religion
5. **Girls of other faiths** whose membership is evidence by a religious leader
6. **Any Other girl**

5. Notes on oversubscription criteria

Within each category above preference will be given according to the following order:

- a) **Exceptional needs:** The governors will give top priority in any category to children whose exceptional medical, social or pastoral needs justify a place at the school. *To demonstrate an exceptional social or medical need, which can only be met at this school, the Governing Body will require compelling written evidence at the time of application, from an appropriate professional e.g. doctor, priest or social worker.*
- b) **Siblings:** Sisters of siblings who are on roll at the school at the time of the proposed admission. *Siblings must live at the same address as the girl for whom the application is being made. This includes half siblings, step siblings and foster siblings who live permanently as a family unit at the same address.*
- c) **Distance from school:** measured 'as the crow flies' to the Main Entrance door of school. *Distance will be calculated using a computerised measuring system that identifies the students' addresses using geographical references provided by the borough council in which the student lives and the measurement will be made from the applicant's home address to the Main Entrance of the school. In the case of a number of addresses in the same block with the same geographical reference or two applicants living exactly the same distance away, the (final) place will be determined by lottery, which will be carried out in the presence of an independent witness.*

Admission of twins / multiple births: when only one place is available the Governing Body will admit the other child(ren) and go above numbers temporarily.

Appeals Procedure: Information in regard to the Appeals Procedure will be sent out by The Learning Trust to those who are unsuccessful.

Waiting list: The school maintains a waiting list, in the order of the oversubscription published criteria, and places will be offered as and when vacancies occur. **Inclusion in the school's waiting list does not mean that a place will eventually become available.**

6. Education, Health and Care Plans (EHCP)

Children in receipt of an Education, Health and Care Plan (this used to be a statement of SEN), are not admitted through this procedure and should contact the SEN department at their local authority. Children with this school named in their EHC Plan will be admitted. The admission of children with an EHC Plan will reduce the number of places available.

7. Admissions outside the normal age group

Parents seeking a place for their child outside the normal age group at transfer from year 6 to 7 or at any other time of the school year (In-Year transfer) and wish this to continue, should read the guidance on out of normal age group admissions in the "Hackney's secondary schools" Admissions Guide for Parents. The booklet is available at www.learningtrust.co.uk.

8. In-Year Admissions

Applications for In Year admissions should be made directly to Hackney Learning Trust on the In Year application form (www.learningtrust.co.uk/inyear). If a place is available and there is no waiting list then the Local Authority will be informed and the child will be admitted. If more applications are received than there are places available then applications will be ranked by the Governing Body in accordance with the oversubscription published criteria.

If a place cannot be offered at this time then you may ask the school for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the Governing Body in the order of the oversubscription published criteria and not in the order in which the applications are received. When a place becomes available the Governing Body re-ranks the list so that the Local Authority can inform the parent that the school is making an offer.

9. Fair Access Protocols

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Diocese, Trustees and the governing body for the current school year. The governing body has this power even when admitting the child would mean exceeding the published admission number.

10. Sixth Form Admission Policy

The school operates a mixed sixth form for a total of 150 students, 75 places will be available in year 12. All of the school's existing Year 11 students who meet the entry requirements can transfer into Year 12. Additional external students, both girls and boys, will be admitted until Year 12 meets its capacity of 90.

Both internal and external students wishing to enter the sixth form will be expected to have met the same minimum academic requirements for the sixth form: English GCSE at grade 4.5 or above (*that means the average of English Literature and English Language GCSE*), and Maths GCSE at grade 4 or above *plus* at least three 9-5 grades in other GCSE subjects.

In addition to the Sixth Form's minimum academic entry requirements students will need to satisfy the subject specific minimum entry requirements found in the Admissions Criteria to the course they are applying. Minimum entry requirements and specific course requirements are published annually in the school's Sixth Form Admissions Criteria and on our website.

Current students do need to make an application even though it is presumed that they will require a Sixth Form place as the school needs to establish what courses they are interested in so they can be facilitated. The school welcomes applications to the Sixth Form from boys and girls from other institutions. Application must be made on the Sixth Form Application Form, available from the school, and an offer of a Sixth Form place is conditional on the school being able to provide a course suited to the applicant's age, ability, aptitude and educational needs.

In the event of oversubscription the criteria and priorities listed in this Policy will apply. For progression to Year 13, students must achieve grade D in all subjects at A Level. At vocational level, all Year 12 coursework must be complete. All students must meet the school's attendance target of 96% unless there is a medical condition.
