## Definitions used in the HE's schemes

“the Home LA”	the LA in which the applicant/parent/carer is resident

# Hackney Education's Scheme for Coordination of Admissions to Year 7 in 2023/24

*All the numbered sections contained in this scheme are mandatory, except those marked with an\* which are highly desirable.*

## Applications

1. HE will advise home LAs of their resident pupils on the roll of HE's maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.
2. Applications from residents of Hackney will be made on HE's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1. These will be supplemented by any additional fields and information which are deemed necessary by HE to enable the admission authorities in Hackney to apply their published oversubscription criteria.
3. HE will take all reasonable steps to ensure that every parent/carer who is resident in Hackney and has a child in their last year of primary education within a maintained school or academy, either in Hackney or any other maintaining LA, is informed how they can access HE's admissions guide to apply. Parents/carers who do not live in Hackney will have access to HE's guidance online which will advise parents/carers to contact their home LA if they are unable to apply online.
4. The admission authorities within Hackney will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admissions authorities within Hackney, the LA will seek to ensure that these are used to collect information required by the published oversubscription criteria only, in accordance with paragraph 2.4 of the School Admissions Code 2021.
5. Where supplementary information forms are used by admission authorities in Hackney, they will be available on HE's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. HE's admissions guide and website will indicate which schools in Hackney require supplementary forms to be completed and where they can be obtained.
6. Where an admission authority in Hackney receives a supplementary information form, HE will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2021.
7. \*Applicants will be able to express a preference for six maintained secondary schools or Academies within and/or outside Hackney.
8. The order of preference given on the Common Application Form will not be revealed to a school within the area of Hackney. This is to comply with paragraph 1.9 of the School Admissions Code 2021 which states that admission authorities must not give extra priority to children whose parents rank preferred schools in a particular order, including

'first preference first' arrangements. However, where a parent resident in Hackney expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.

9. HE undertakes to carry out the address verification process as set out in its entry in LIAAG Address Protocol. This will in all cases include validation of resident applicants against HE's primary school data and the further investigation of any discrepancy. Where HE is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than 12 December 2022.
10. HE will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is currently or previously a 'Child Looked After' and will provide any additional evidence on receipt of a reasonable request by the maintaining LA in respect of a preference for a school in its area by 14 November 2022.
11. HE will advise a maintaining LA of the reason for any application which is made in respect of a child resident in Hackney whose parent/guardian wishes them to be admitted outside of their correct age cohort, and will forward any supporting documentation to the maintaining LA by 14 November 2022.

## **Processing**

12. Applicants resident within Hackney must return the Common Application Form, which will be available and able to be submitted on-line, to HE by 31 October 2022.
13. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of HE's scheme, will be up-loaded to the PLR by 14 November 2022. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
14. HE shall, in consultation with the admission authorities within Hackney process preference data and apply published oversubscription criteria within the framework of the Pan-London timetable in Schedule 3A.
15. \*HE will accept late applications for Hackney residents and consider them to be on-time only if they are late for exceptional reasons that prevented the application being submitted by the closing date. Such cases will be considered until 09 December 2022 after which they will be deemed late regardless of the circumstances. HE alone will determine, on the merits of the case, if a late application can be considered on-time.
16. Where such late applications are considered to be on-time and contain preferences for schools in other LAs, HE will forward the details to maintaining LAs via the PLR as they are received. HE will accept late applications which are considered to be on-time within the terms of the home LA's scheme.
17. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is 12 December 2022.
18. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA

will accept the application as on-time up to 9 December 2022, on the basis that an on-time application already exists within the Pan-London system.

19. HE will participate in the application data checking exercise scheduled between 13 December 2022 and 3 January 2023 in the Pan-London timetable in Schedule 3A.
20. All preferences for schools within Hackney will be considered by the relevant admission authorities without reference to rank order to comply with paragraph 1.9 of the School Admissions Code 2021. When the admission authorities within Hackney have provided a list of applicants in criteria order to HE, HE shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the 'Equal Preference System'.]
21. HE will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS for all maintained schools and academies in Hackney before uploading data to the PLR.
22. HE will upload the highest potential offer available to an applicant for a maintained school or academy in Hackney to the PLR by 31 January 2023. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.
23. The LAS of HE will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until 13 February 2023 if this is sooner.
24. HE will not make an additional offer between the end of the iterative process and 1 March 2023 which may impact on an offer being made by another participating LA.
25. Notwithstanding paragraph 24, if an error is identified within the allocation of places at a maintained school or academy in Hackney, HE will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) HE will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, HE will accept that the applicant(s) affected might receive a multiple offer.
26. HE will participate in the offer data checking exercise scheduled between 14 and 21 February 2023 in the Pan-London timetable in Schedule 3A.
27. HE will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than 22 February 2023. (33 London LAs & Surrey LA only).

## Offers

28. HE will ensure that, if there are places available, each resident applicant who cannot be offered a preference expressed on the Common Application Form receives the offer of an alternative school place in accordance with paragraph 2.11 of the School Admissions Code 2021. This will normally be at the nearest maintained school or academy with a vacancy (subject to the approval of the admission authority of that school).
29. HE will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.
30. HE's outcome letter/email will include the information set out in Schedule 2.
31. On 1 March 2023, HE will send notification of the outcome to resident applicants by email or first class post.
32. \*HE will provide primary schools with destination data of its resident applicants by the end of the Summer term 2023.

## Post Offer

33. HE will request that resident applicants accept or decline the offer of a place by 15 March 2023 or within two weeks of the date of any subsequent offer.
34. Where an applicant resident in Hackney accepts or declines a place in a school within the area of another LA by 15 March 2023, HE will forward the information to the maintaining LA by 22 March 2023. Where such information is received from applicants after 15 March 2023, HE will pass it to the maintaining LA as it is received.
35. Where a place becomes available in an oversubscribed maintained school or academy in Hackney, it will be offered from a waiting list ordered in accordance with paragraph 2.15 of the School Admissions Code 2021.
36. When acting as a maintaining LA, HE will place an applicant resident in the area of another LA on a waiting list of any higher preference school in Hackney. Where this is not done automatically, it will be done immediately following a request from the home LA.
37. Where a waiting list is maintained by an admission authority of a maintained school or academy in Hackney, the admission authority will inform HE of a potential offer, in order that the offer may be made by the home LA.
38. When acting as a maintaining LA, HE will inform the home LA, where different, of an offer for a maintained school or Academy in Hackney which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.
39. When acting as a maintaining LA, HE and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.
40. When acting as a home LA, HE will offer a place at a maintained school or Academy in the area of another LA to an applicant resident in Hackney, provided that the school is ranked higher on the Common Application Form than any school already offered.

41. When acting as a home LA, when HE is informed by a maintaining LA of an offer which can be made to an applicant resident in Hackney which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.
42. When acting as a home LA, when HE has agreed to a change of preferences or preference order, it will inform any maintaining LA affected by the change. In such cases, paragraphs 40 and 41 shall apply to the revised order of preferences.
43. When acting as a maintaining LA, HE will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
44. When acting as a maintaining LA, HE will accept a change of preferences or preference order (including reinstated or additional preferences) from home LAs for maintained schools and academies in its area.
45. When acting as a maintaining LA, HE will establish waiting lists after 1 March 2023 by automatically including children who expressed a preference for maintained schools and academies in Hackney where the school was listed as a higher preference than the school offered by the home LA on 1 March 2023. If an applicant does not wish their child to be on the waiting list of a maintained school or academy in Hackney they must advise their home LA who will then communicate this request to HE.
46. When acting as a maintaining LA, HE will maintain a waiting list throughout the year of admission. Any places that become vacant from 1 March 2023 at maintained schools and academies in Hackney will be offered to pupils on the waiting lists through their home LA in accordance with published oversubscription criteria.
47. When acting as a home LA, HE will offer places that become available after National Offer Day in the week ending Friday 25 March 2023. Any further places that become available after this date will be offered regularly, approximately every two weeks. Further information will be available online at [education.hackney.gov.uk/secondaryoffers](https://education.hackney.gov.uk/secondaryoffers)
48. When acting as a home LA HE will, after preferences expressed in accordance with paragraph 7 above have been determined, allow applicants to express additional preferences before the start of the school term. The number of additional preferences will be unrestricted.
49. Applicants wishing to remain on the waiting list after the October half term in 2023 must reapply via the In Year application process by Friday 20 October 2023. Further information will be available online at [education.hackney.gov.uk/inyear](https://education.hackney.gov.uk/inyear)

## SCHEDULE 2

### HE Outcome Letter for Admissions to Year 7 and Reception in 2023/24

From: Home LA

Date: **1 March 2023 (sec)**  
**17 April 2023 (prim)**

Dear Parent/Carer,

Application for a Secondary / Primary School

*I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.*

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants had a higher priority than your child under the school's published admission criteria.

*Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.*

If you would like more information about the reason that your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

*Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.*

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

[You can also request that your child's name be placed on the waiting list for a school which has a higher preference on your application form than the school you have been offered. Please use the enclosed reply slip and return it to this office]. OR

{Your child's name has been placed on the waiting list for any school which has a higher preference on your application form than the school you have been offered. If you need to find out your child's position on the waiting list please contact the admission authority or the borough in which the school is situated}.

(One of the above bracketed paragraphs should be used depending on whether the LA automatically places children on a waiting list for higher preference schools).

*Please return the reply slip to me by **15 March 2023 (sec)** / **2 May 2023 (prim)**. If you have any questions about this letter, please contact me on \_\_\_\_\_.*

Yours sincerely
