WELCOME

This guide is produced in partnership with all the Hackney maintained secondary schools to help you make an informed decision about your child's future.

Choosing the next step in your child's education is a huge responsibility for any family, so it's important that you read the guide carefully and look closely at each school's admissions criteria in order to make the right choice for your child. We're pleased that you, like so many other local parents/carers, have made Hackney your preferred choice.

We have excellent schools in Hackney offering a rich curriculum and 93% of schools inspected are rated as good or outstanding by Ofsted. In 2017, the Progress 8 measure in Hackney was 0.38, an improvement on the previous year, making the borough the 12th best performing local authority in the country.

Hackney Learning Trust is committed to supporting the best possible education for our young people. We work closely with schools to ensure they keep improving and that they give all children the best possible start in life.

As your child makes the step from primary to secondary school, we hope you'll continue to be involved in encouraging their learning and maintaining excellent levels of work, motivation and behaviour.

Whichever school your child moves on to, they are guaranteed excellent opportunities. We wish you and all pupils starting secondary school in Hackney the very best for the future.

Annie Gammon

Director of Education,
Head of Hackney Learning Trust

Cllr Anntoinette Bramble

Deputy Mayor
of Hackney

KEY INFORMATION

WHO SHOULD APPLY?

If your child was born between 1 September 2007 and 31 August 2008 you must apply for them to start secondary school in September 2019.

IN YEAR ADMISSIONS & YEAR 10 OPPORTUNITIES

If your child does not currently have a school place or you want to transfer them to a different school, you need to make an In Year application. Go to www.learningtrust.co.uk/inyear for more information.

If your child is due to start year 10 in September 2019 you can apply for a place at University Technical Colleges (UTCs) and Studio Schools. UTCs and Studio Schools commonly have links to universities and/or businesses and specialise in technical subjects focusing on developing the skills needed for employment. Further information about UTCs and Studio Schools in London is available online at www.learningtrust.co.uk/yr10opportunities

VISIT HACKNEY LEARNING TRUST

Visit the Hackney Learning Trust reception counter on the second floor on Tuesdays from 9am to 1pm and on Thursdays from 1pm to 5pm. You can speak to an Admissions and Pupil Benefits Officer in person for advice and support and access a computer to apply online. Outside these times you will need to telephone or email for support.

HOW TO APPLY

Applications open on 3 September 2018. You should complete Hackney Learning Trust's Common Application Form online at www.eadmissions.org.uk (see page 8 for step-by-step instructions). You can list up to six state-funded secondary schools, academies or free schools anywhere in London. List your favourite school as the first preference, then your next favourite school as your second preference and so on.

You should apply by **Friday 19 October 2018**.

Religious schools require you to complete a Supplementary Information Form (SIF) to be given priority under their faith based criteria. SIFs are available from Hackney Learning Trust or directly from the school. The following religious secondary schools in Hackney will ask you to complete a supplementary form:

- Cardinal Pole Catholic School, Catholic
- Lubavitch Senior Girls School, Orthodox Jewish
- Our Lady's High School, Catholic
- The Urswick School, Church of England

BANDING TESTS

Most Hackney secondary schools require applicants to sit a cognitive ability test (CAT). If your child attends a Hackney primary school (in Year 6) they will take the CAT at their school between Monday 1 October to Friday 19 October 2018.

If your child attends a school outside Hackney they will be invited to sit the CAT at a Hackney secondary school on Saturday 24 November or Saturday 1 December 2018. It is your responsibility to ensure your child is available to sit the test on

these dates. **There are no alternative test dates and if your child does not sit the banding test your application will be disadvantaged.** See page 13 for further information.

WHAT DOCUMENTS DO I NEED TO SEND WITH MY APPLICATION?

You do not need to send any additional documents with your application.

To confirm your address we will check your details against council tax and other council records. If it is not possible to confirm your address we will contact you directly to request further evidence.

If you have changed address in the last year you may be asked to complete a questionnaire to prove that you live permanently at your current address.

Failure to provide proof of your child's address, if requested, may cause delays in processing your application. See page 15 for further information.

CHILDREN WITH SPECIAL NEEDS WHO HAVE AN EDUCATION, HEALTH AND CARE PLAN

There is a separate transfer process for pupils who have an Education, Health and Care plan. If your child has a plan or has been issued with a draft plan by **19 October 2018** then your child should not apply through the general admission process explained in this guide. You will get a separate application form to complete from the Education, Health and Care Plan (EHCP) team. You should use this form to list the schools you prefer for your child.

Visit www.hackneylocaloffer.co.uk/secondarysend for more information or call **020 8820 7000** Option 4.

BEFORE YOU APPLY...

Schools and Academies in Hackney are very popular and not all applicants can be offered a place. You should follow the advice below and think carefully about which schools you list on your application before you apply.

OPEN

VISIT SCHOOLS

You should visit schools to get an idea of what they can offer. Details of the open events at Hackney secondary schools are on page 11. If you cannot visit schools you can get more information from their websites. See pages 18 - 49 for details.

ARE YOUR PREFERENCES REALISTIC?

Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and figure out which criteria apply to your child. A summary of the admissions criteria for Hackney secondary schools are included on pages 18 to 49. If you list a school as a preference on your application you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules or on the school's website.

If you are unsure whether you will qualify for a place you can call the admissions team for impartial advice on **020 8820 7000**.

DO YOU LIVE CLOSE ENOUGH TO GET A PLACE?

Some schools use home-to-school distance as part of their admission arrangements. You can find out the approximate distance to your preferred schools using the GOV.UK schools finder online at www.gov.uk/find-school-in-england

The distance from home to school of the last child offered a place at Hackney secondary schools from last year is included on pages 18 - 49 where applicable. Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the cut-off will change every year. We can never guarantee any child will be offered a place at any school.

Note that, in addition to distance, Mossbourne Community Academy

and The Petchey Academy also include an element of random allocation (a computerised lottery) to determine who gets a place.

HOW WILL YOUR CHILD TRAVEL TO SCHOOL?

Hackney has a great network of buses, London overground and rail links making it easy to get to any of our local schools.

Children of secondary school age would generally be expected to travel to school independently using public transport. However a very long journey to school on public transport may not be the best choice for your child.

Travel to school is free on Transport for London (TfL) buses. Some families may be eligible for help with the cost of tube and/or train journeys. See page 50 for more information.

RESEARCH SCHOOL PERFORMANCE AND INSPECTION OUTCOMES

All schools in Hackney are inspected regularly by Ofsted. You can access the latest Ofsted reports at www.reports.ofsted.gov.uk Headteachers will be happy to talk to you about any part of the Ofsted report for their school.

You can get information about an individual school's performance results from the Department for Education (DfE) website at www.compare-school-performance.service.gov.uk

TALK TO YOUR CHILD & OTHERS

What school does your child want to attend? Seek advice from teachers, other parents and the school admissions team. Remember that the right school for your friend's child may not be the right school for your child. Don't judge a school based solely on what others say – visit the school and make up your own mind.

MYTH BUSTERS – GET THE FACTS!

It is easy to make assumptions about how school admissions works. Here are some of the common assumptions and misunderstandings as well as the facts.

My child has a right to a place at one of my preferred schools.

Not true! ... your child will only be offered a place if they qualify according to the school's admission criteria. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic) they will be offered a place at the nearest school to your home with a vacancy remaining after all on-time applicants have been offered places. See page 16 for further information.

I don't need to apply because I have an older child already at the school.

Not true! ... everyone must apply for their child even if they have a brother or sister already at the school. Most schools give priority to brothers and sisters but if you don't apply you could miss out on a place.

If I list only one school then I have to be offered a place.

Not true! ... listing only one school does not increase your child's chances of being offered a place. You are strongly advised to include your nearest schools amongst your preferences.

I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

Not true! ... the home-to-school distance of the last child offered a place will change every year. The information about offers in 2018 for each school is listed on page 18 to 49. This information is a guide only and no child is guaranteed a place at any school.

Children in my road go to the school so my child will too.

Not always ... the number of pupils offered under each criterion at each school can change every year. Just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.

If I apply to a school in another borough, their residents will have priority over me.

Not true! ... an admissions authority cannot give preference to its own residents and published admissions criteria cannot include the borough of residence. Hackney schools do not discriminate between applicants who live in the borough and those who do not.

It does not matter if my application is late.

It matters! ... If you apply after **31 October 2018**, we will look at your application after all those that applied on time have been processed. In this case it is very unlikely that you will be offered a place at a popular school.

I can only apply for Hackney Schools.

Not true! ... you can apply for both Hackney and out of borough schools by listing them on the Hackney application form.

APPLYING ONLINE – STEP BY STEP GUIDE

BEFORE YOU START

- **Research your preferred schools** and decide your order of preference before you start the online application. See pages 6 and 7 for advice about choosing schools.
- **Get an email address** – you need one to apply and you need to be able to access it in March 2019. If you don't have one go to www.googlemail.com and click 'Create an account'.
- **Get a friend, a relative or your child to help you make the application** if you have trouble with computers.

LOGIN OR REGISTER

01. Go to www.eadmissions.org.uk

02. If you have applied before (e.g. for an older child) choose 'Login to your account'. Enter your email and password from your previous application and click 'Login'. Skip to step 09.

03. If this is the first time you have applied you must register your details and choose your password. Click 'Register to apply online'.

04. Enter your name and contact details then click 'Next'. Select your address from the list then click 'Next'. Create a password then click 'Next'. Set up your security questions and answers then click 'Next'.

05. Note down your email address and username in a safe place for future reference. Choose 'Click here to login to the eAdmissions website'.

06. Enter your username or email and your password then click 'Login'

TIP: If you can't remember your username or password click the 'Forgotten your username or password?' link.

07. After you log in for the first time you will be sent a confirmation by email. Open the email and click the link to confirm your email address. **You MUST confirm your email address before you can make your application.**

08. After you click the link in your email you will see the email validation webpage. Click 'Please Login to start your application'.

09. After you log in you must check and update your details if they have changed. Tick the boxes to confirm your details are correct and that you agree to the privacy policy, then click 'Save and Continue'.

10. Click the 'Start a new application for a child that is not listed below' button.

CHILD DETAILS AND PREFERRED SCHOOLS

11. Enter your child's details and click 'Save and continue'.

12. Choose your preferred school from the list. Change the local authority if the school is outside Hackney. Click 'Add this school'.

13. Add specific information about the school. Indicate if your child has brothers or sisters already attending, if they have medical/social reasons to attend the school or if you are a staff member, then click 'Next'.

14. Repeat steps 12 & 13 to list more schools until you have listed all your preferences.
15. Change the order of preferences by clicking 'Move up' / 'Move down'.
16. Once all your preferred schools are listed click 'Next'. You will also need to click 'Continue' if you have listed fewer than six preferences.

FINAL CHECK AND SUBMIT

17. Check your application carefully. To make changes click 'Back' at the bottom of the page.
18. Read and agree the declaration and Hackney terms and conditions by clicking in the boxes.

19. Click 'Submit Application'.

20. You will receive a confirmation email with your application reference number (e.g. 204-2019-09-E-001234). This email is proof that you have submitted your application successfully.

MAKE CHANGES AND ATTACH DOCUMENTS

- You can make changes and attach supporting information up to the statutory closing date by logging into the system with your username or email address and your password.
- Each time you make a change you must resubmit your application. You will receive a confirmation email each time you successfully change your application.
- You will also receive a confirmation for each document you attach.
- **NEW:** You do NOT need to provide proof of your address. We will confirm your address against council tax and other council records.

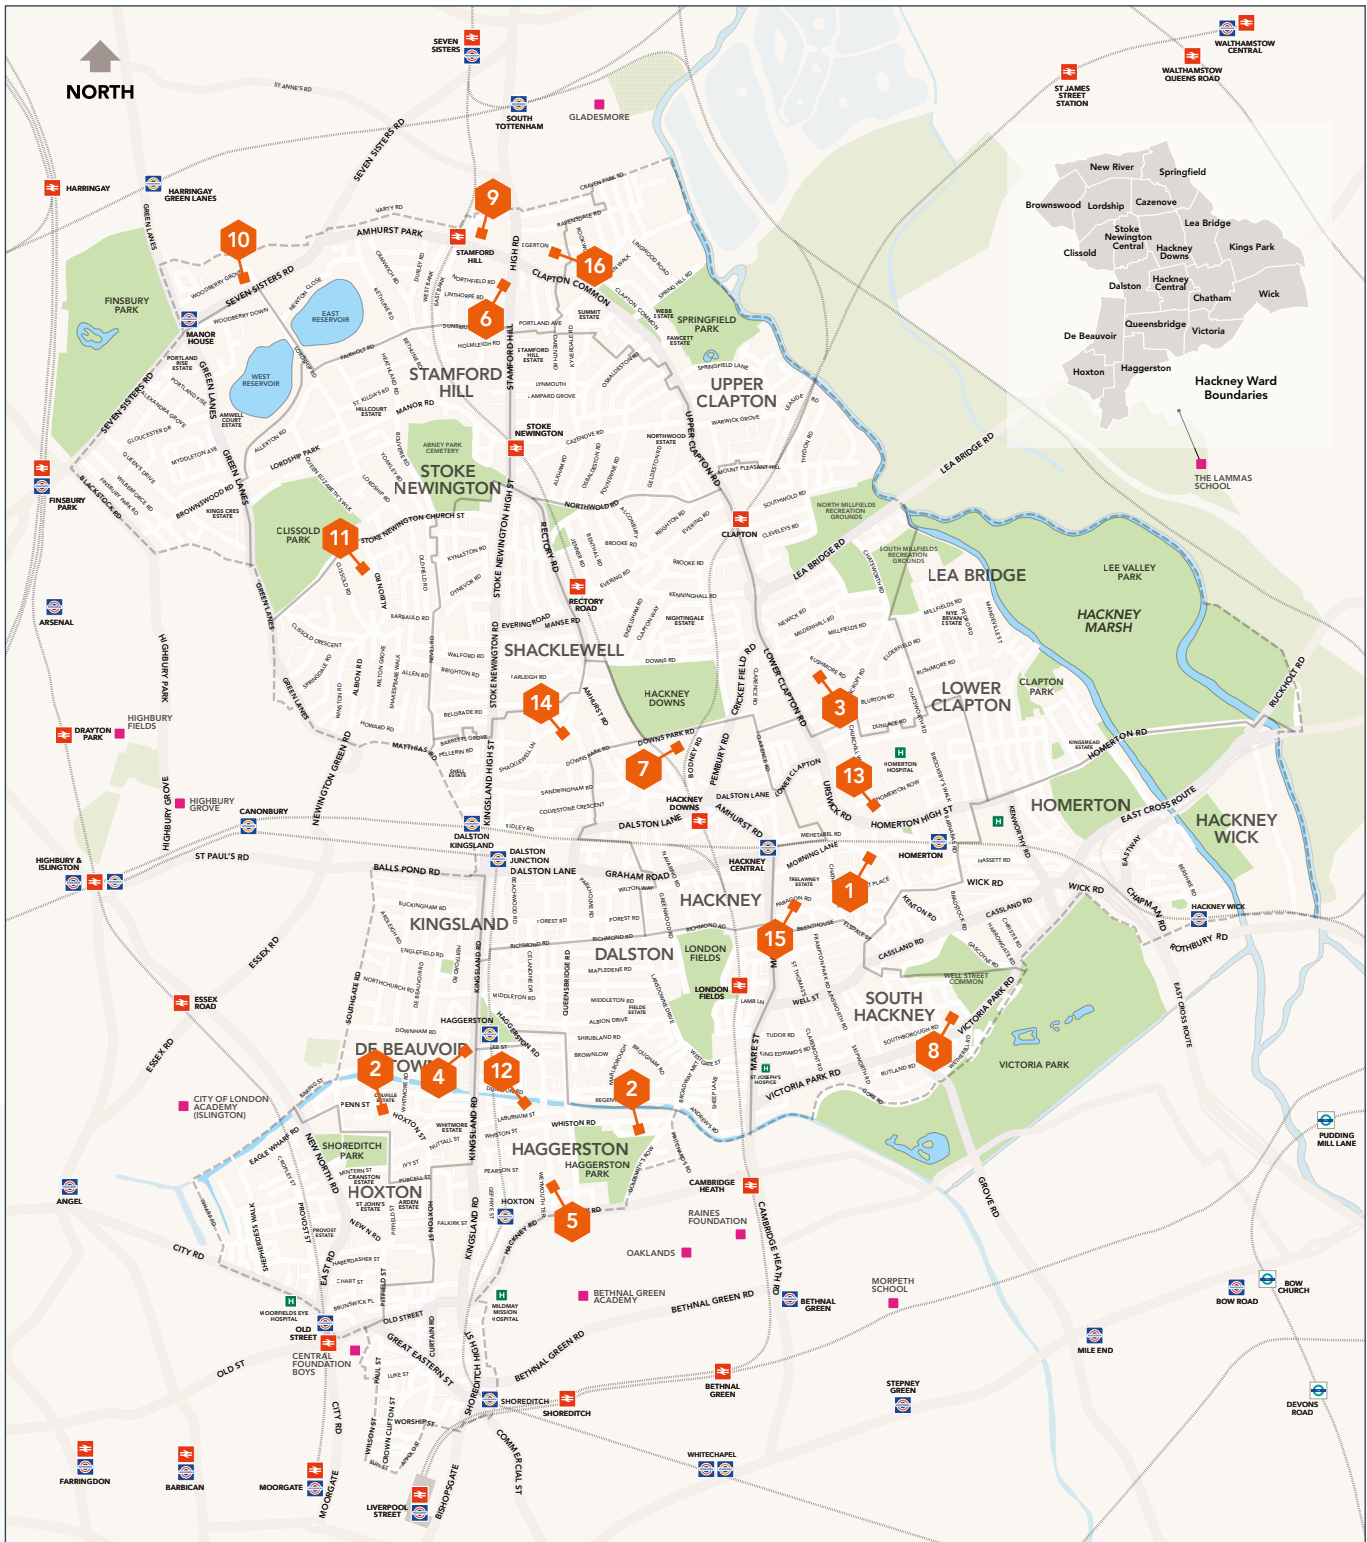

HELP AND SUPPORT

If you need help logging into your online application or registering to apply online you can contact the London eAdmissions support helpdesk on **020 8255 5555** (option 1 or 4) or email support@eadmissions.org.uk

If you have any other problems using the system please contact us on **020 8820 7000** or email y6sectransfer@learningtrust.co.uk

PROCESSING YOUR APPLICATION – HOW DOES IT WORK?

The Admissions Team at Hackney Learning Trust will add all your preferences to a database so that these can be considered all at the same time. Preferences for community schools will be considered by the Local Authority (LA). If you list a religious school, academy or free school within Hackney, your details will be forwarded to them to consider your application and rank your child in accordance with their admissions criteria.

The schools won't know whether you've listed them first, second, third and so on. If you've listed any schools outside of Hackney, your details will be sent to the appropriate LA Admissions Team to consider.

After all your preferences have been processed, we will update our database with all potential offers for your child and you will be offered a place at the school ranked the highest out of those potential offers. For example, if there are available places for your child at the schools ranked third and fourth on your list, we'll offer you a place at your third preference school. You will not be advised about the offer that could have been made at the fourth preference school and this place will be given to another child.

BANDING AND COGNITIVE ABILITY TESTS (CAT)

Most Hackney secondary schools use a process of banding to ensure they admit a wide range of children of different abilities. Every child who applies must sit a cognitive ability test (CAT) and the results are used to group applications into different ability bands.

If your child attends a Hackney primary school (in Year 6) they will take the CAT at their school between **Monday 1 October to Friday 19 October 2018**. The school will arrange the testing and advise you in advance.

If your child attends a school outside Hackney and you apply for a school that uses banding your child will be invited to sit the CAT at a Hackney secondary school on **Saturday 24 November or Saturday 1 December 2018**. We will contact you via email in November 2018 to tell you the date and venue for your child's test. The session will last about three hours.

The CAT has been designed to assess children's ability in four areas. Each child will achieve an average (mean) score. This score will decide the band group they are placed in for each secondary school. Each part of the test will last for about half an hour.

Each band has equal priority and the same number of places are offered to applicants in each band where

possible. This means that your child has an equal chance of being offered a place regardless of the band they are assigned to. If there are more applications than places available within each band, the school will apply their admission criteria to offer places. (See page 18 to 49 for a summary of each school's admission criteria.) Children who are not offered places will be put on the waiting list within their band group.

IMPORTANT

There are no alternative test dates and it is your responsibility to make sure your child is available to take the test on your allocated date. Failure to take the test will result in your application being placed at the bottom of the list of all applicants who have taken the test for that school.

HOME-TO-SCHOOL DISTANCE

Home-to-school distances are measured in a straight line using a computerised distance measuring system from your home address to the main entrance of the school. Hackney Learning Trust uses geographical references (i.e. eastings and northings) as provided by the National Land and Property Gazetteer (NLPG) database to determine the start point for your address. For most homes the eastings and northings are not located at the front door but they usually fall within the footprint of your building. If you live in a block of flats the easting and northing point for the block will be used. The measuring point used to determine the school main entrance may not be the gate or entrance currently used by children and staff entering the school.

To help you work out the distance between your address and a school, you can use the Direct Gov schools finder online at schoolsfinder.direct.gov.uk. This won't give you an exact measurement but it will give you an idea of how close you are to a school's cut-off distance in the previous year, as listed on pages 18 to 49. Cut-off distances vary from year to year.

TWINS, TRIPLETS AND MULTIPLE BIRTH

Some schools will give special consideration to multiple birth children so that they are offered the same school. e.g. if a school has only one place and the next child to be offered has a twin sibling, the school may admit the other twin sibling as well, even if this means going over their published admission number.

The admission arrangements for each school will explain how they deal with applications from multiple birth children. If this affects your children you should read the full admissions policy for your preferred schools which are available online at

www.learningtrust.co.uk/admissionrules

CHILDREN EDUCATED OUT OF NORMAL AGE GROUP

If your child is currently educated out of his/her normal age group, you can request that this continues, and your child remains in their current year group when they start secondary school. Most secondary schools will decide whether or not your child can remain out of their normal age group. Hackney Learning Trust makes this decision on behalf of Haggerston School and Stoke Newington School & Sixth Form. If your child is offered a place at a school that does not agree with your request, your child will be placed in their correct year group.

LATE APPLICATIONS

Applications open on 3 September 2018 and the closing date is **Wednesday 31 October 2018**. If you submit your application after this date it will be considered only if there were exceptional reasons that prevented you from applying on time. For example, this could be where you are a single parent and you have been seriously ill for an extended period, a member of your immediate family has died, or if your family has recently moved into the area or has just returned from abroad. We'll also need to see the proof of ownership or tenancy of a property within Hackney as well as a utility bill.

The last date that exceptional reasons can be considered and agreed is Friday 7 December 2018. After this date your application will be late regardless of the circumstances and will only be considered after all the applications that were sent in on time have been dealt with. This is most likely to be after 1 March 2019, but you may still receive a letter telling you the outcome of your application.

CHANGING YOUR PREFERENCES

If you wish to change your preferences before the closing date, Wednesday 31 October 2018, you must login to the online application system, make changes and then resubmit your application. If you applied on time, but decide to change your preferences after the closing date, your request will be dealt with after all the late and unplaced applicants' requests for school places have been considered.

HOME ADDRESS

Your child's home address is the address where they are living on the closing date, **31 October 2018**.

Addresses are checked against council records and we may require you to provide evidence. (See page 5 for more information) Where parental responsibilities are equally shared, we will consider the home address to be the place where your child sleeps and spends most of their time, from Monday to Friday. This is the address that will be used to process your application and calculate home-to-school distance or confirm a sibling attending the school.

We cannot accept a temporary address if you still possess a property that was previously used as a home address; nor will we accept a temporary address if it is used solely or mainly to obtain a school place.

In the case of UK service personnel with a confirmed posting in the area or Crown servants returning from overseas who will reside in Hackney, we will allocate a school place on the basis of the family's intended future address. For UK service personnel the application must be accompanied by an official letter declaring a relocation date and unit address or quartering address in Hackney. Applications from Crown servants will be dealt with on a case by case basis and proof of the intended future address must be provided, particularly in the case where the application includes oversubscribed schools. In all other aspects these applications will be treated as for any other Hackney resident and in accordance with published admission arrangements.

APPLYING FROM OVERSEAS

If you reside outside the UK but intend to return to live in Hackney before the start of the 2019 academic year you must apply according to the process set out in this booklet.

You must apply using a paper application form which is available by emailing y6sectransfer@learningtrust.co.uk. You will not be able to use the online eAdmissions system.

Your application will be processed on the basis of your overseas address. Home-to-school distance measurements will be based on your location at the closing date, **31 October 2018**. This means that you are unlikely to be offered a place at an oversubscribed school on the basis of distance.

Upon returning to the UK and providing proof that you are resident in Hackney your application will then be considered on the basis of your Hackney address.

MOVING HOUSE

If you move you must let the Admissions Team know your new address immediately. You must provide proof of residence at your new address to confirm that you are living there before Friday 7 December 2018. This could include proof of exchange of contracts or a tenancy agreement. We will also need

to see an original utility bill, such as a gas or water bill. If you are unable to provide evidence prior to 7 December 2018, we will only be able to use your new address to adjust your child's position on the waiting list after 1 March 2019.

FRAUDULENT APPLICATIONS

If a school place is offered based on fraudulent or intentionally misleading information, the offer will be withdrawn and your application processed using the appropriate address. We may also consider withdrawing the place after your child has started school, regardless of how much time has passed, if information comes to light that a false address was used during the application process.

We will also ask the secondary school to check your child's home address at the time of admission. If it is different from the address on your application form we will investigate further.

We carry out random checks and investigate a sample of applications where there has been a change of address in the last 12 months, or where a parent moves after 1 March 2019, up to the end of the child's first term in Year 7.

We will investigate all applications:

- where there are any doubts about the information provided;
- where information has been received from a member of the public to suggest a fraudulent application has been made;
- where council records do not match the application.

Any applicant who provides false information will have their offer of a school place withdrawn. They may also be subject to legal proceedings. If we find out that your home address is not in Hackney, we will advise you to make a new application via your home local authority.

We reserve the right to seek additional information to carry out our investigations. We also reserve the right to carry out home visits to the address used on the application form and any other addresses used previously.

EXCEPTIONAL MEDICAL OR SOCIAL NEEDS

Some schools and academies give priority to children who have an exceptional need to attend a specific school on medical or social grounds. If this is the case with your child you must tick the appropriate box on the online form and provide independent, professional evidence explaining why your child can only attend a particular school. Your own medical needs cannot justify a place at a particular school but your child could have a social need arising from your medical needs.

In every case you must provide detailed evidence from a GP, hospital consultant, social worker or any other agency or professional involved with your case. The evidence must be specifically about your child's medical/social condition, the effects of the condition and why, in view of this, your child needs to attend a particular school. The evidence should demonstrate detailed knowledge of the school in terms of resources and organisation which demonstrate that your child can only be admitted to the specific school and why no other school is suitable.

It is your responsibility to provide evidence to support your claim and this should be submitted with your application by the closing date, 31 October 2018. It may not be possible to consider evidence received after this date for National Offer Day (1 March 2019) but it will be considered for offers made after this date. If you tick the box on the application form but do not submit evidence your application will not be considered under this criterion and you will not be reminded to submit evidence.

Not all academies and schools in Hackney give priority on medical or social grounds and you should check the admission criteria for your preferred schools on pages 18 to 49.

LOOKED AFTER CHILDREN/ PREVIOUSLY LOOKED AFTER CHILDREN

If you are completing the application for a looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order please tell us on the application form. You must name the council who looks after the child (or previously looked after the child) and provide a letter from the social worker to confirm this. In addition, if the child was adopted or became subject to a child arrangements or special guardianship order immediately after being in care you must also provide a copy of the child arrangements order, special guardianship order or proof of adoption from the relevant local authority.

NATIONAL OFFER DAY – WHAT HAPPENS NEXT?

YOUR SCHOOL PLACE

If you applied online you will receive an email on the evening of Friday 1 March 2019 to inform you of the outcome of your application. If you applied using a paper application, your offer will be sent by first class post on 1 March and should arrive by Monday 4 March.

The offer will be for the highest ranked school on your application that was able to offer your child a place. If your child is not offered a place at any of your preferred schools they will normally be offered a place at the nearest school to your home with a vacancy remaining after all on-time applicants have been offered places. (see below for further information).

RESPONDING TO YOUR OFFER

You must respond to the offer by **Friday 15 March**.

Your offer email will explain how to respond online. You will need to login to your online application at www.eadmissions.org.uk using your email address or username and your password. If you applied using a paper application, you must complete and return the reply slip enclosed.

If you don't respond by 15 March we may withdraw the offer. We also need to know if your circumstances have changed and you no longer want the place.

UNSUCCESSFUL APPLICATIONS

If it is not possible to offer a place at any of your preferred schools Hackney Learning Trust will normally offer a place at the nearest school to your

home with a vacancy remaining after all on-time applicants have been offered places. You will also be advised which schools still have places available and you may add further preferences. Detailed information will be available in your offer email.

If you need to discuss your situation in more detail, you can contact the Admissions Team on 020 8820 7000 who can give you help and advice about your options, including details of available schools outside Hackney. You may also email y6sectransfer@learningtrust.co.uk for advice.

WAITING LISTS

If you have been offered a place at a lower preference school, your child will automatically be added to the waiting lists for any Hackney schools you ranked higher on your application form. If you have been refused a place at all Hackney schools you listed on your application form, your child will automatically be added to the waiting lists for all of them.

Your child's position on the lists will be worked out according to the admissions criteria for each school and can go up or down as other children leave or join the lists. Hackney Learning Trust will continue to offer places and maintain waiting lists until October Half Term 2019.

On 25 October 2019 waiting lists will close and you must re-apply for your child to remain on waiting lists after this date.

To ensure that your child remains on the waiting list and in consideration after 25 October 2019 you must make a separate 2019/20 In Year application before Friday 18 October 2019. From 28 October 2019, waiting lists will be maintained in accordance with the secondary school In Year admissions process. All secondary schools will inform us when a vacancy becomes available and the next child on the waiting list will be offered a place.

APPEALS

If you believe you have good reasons why your child can only attend a particular school, you can appeal against the refusal of a place at that school. Appeals are heard by an Independent Appeal Panel and their decision is binding on Hackney Learning Trust, the school and the parent. If the Independent Appeal Panel agrees that your appeal should be upheld, the school must admit your child.

You must complete and return an appeal form by Friday 29 March 2019. Further information is available online at www.learningtrust.co.uk/admissionappeals. You can get independent advice about appeals from the Advisory Centre for Education on 0300 0115 142 or at www.ace-ed.org.uk and Coram Children's Legal Centre on 0300 330 5485 or at www.childrenslegalcentre.com

Please note from the information outlined in the table that very few appeals are successful.

ADMISSION POLICY

The admissions policy for Cardinal Pole Catholic School is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands reflecting the national range of abilities (See page 13 for further information). The school may seek other evidence of the child's academic ability if they are unable to take the test.

Children with an Education, Health and Care Plan where Cardinal Pole Catholic School is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to pupils in each band in the following order of priority:

01. Catholic looked after children or Catholic children who have been adopted or made subject to child arrangements orders or special guardianship orders immediately after being looked after.
02. A Catholic child with a certificate of Catholic practice.
03. Other baptised Catholic applicants.
04. Other looked after children and children who have been adopted or made subject to child arrangements orders or special guardianship orders immediately following having being looked after.
05. Those preparing for the sacraments of Baptism and Holy Communion with the Catholic Church (Catechumens).
06. Christian applicants who have a baptism certificate or a letter from their Minister showing they are a member of the Church.
07. Children of other Faiths whose application is supported by a letter from a religious leader confirming membership of the faith community.
08. All other applicants.

ADDITIONAL INFORMATION

A Certificate of Catholic Practice should be completed by all those applying under criterion 2. The Certificate of Catholic Practice is available from the priest at the parish where your family normally worships and is also on the Westminster Diocese website. If you do not have a Certificate of Catholic Practice but wish to be considered under the faith oversubscription criteria, you must let the school know of your faith commitment in writing. You must submit this additional information directly to the school by Friday 26 October 2018. Failure to return information by this date mean the Governing Body may be unable to consider your application fully and it is unlikely that your child will be offered a place.

PRIORITIES

Siblings

Where the offer of places to all applicants in any of the above categories leads to oversubscription,

priority is given to those with a sibling attending the school at the time of the admission.

Distance tie break

Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription the places will be offered to those living nearest to the school. Where two or more students have equal priority for one remaining place, the offer will be decided by random allocation i.e. drawing of lots.

Social and medical needs

The governors will increase to top priority an applicant within a category where compelling evidence is provided at the time of application of exceptional circumstances, or a medical or a pastoral need of the student which can only be met at this school.

ADMISSIONS POLICY

The admissions policy for City of London Academy, Shoreditch Park is summarised on the next page.

If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands which as far as possible will be of equal size (See page 13 for further information). The academy may seek other evidence of the child's academic ability if they are unable to take the test.

Children with an Education, Health and Care Plan where the academy is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to the same number of pupils in each band in the following order of priority:

01. Looked after children. A 'looked after child' or a child who was previously looked after but immediately after being looked after was adopted or became subject to a child arrangements or special guardianship order.
02. Children with a Child Protection Plan.
03. Children with siblings who are already on roll at the City of London Academy, Shoreditch Park and will still be on roll at their date of entry.
04. Children with exceptional medical, social or psychological needs, where it is agreed by the Academy Trust that these can best be addressed at the City of London Academy, Shoreditch Park.
05. Children of staff who work at the academy with at least two years' continuous employment, or where the academy reasonably considers a member of staff has been recruited for a position for which there is a demonstrable skills shortage.
06. Children living nearest to the academy as measured by a straight line from the child's home to the proposed main entrance of the academy (easting: 533013, northing: 183562).

Distance will be used as a tiebreaker with children living nearest the school having priority. If only one place is available and two or more children qualify for the place (i.e. live the same distance from the school), the child offered will be determined by random allocation.

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of five ability bands which as far as possible will be of equal size (See page 13 for further information). The academy may seek other evidence of the child's academic ability if they are unable to take the test.

ADMISSION POLICY

The admissions policy for Hackney New School is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands which as far as possible will be of equal size (See page 13 for further information). The school may seek other evidence of the child's academic ability if they are unable to take the test.

The school will admit up to 10% of its Year 7 intake (i.e. maximum of 10 pupils) on the basis of musical aptitude. In October, the school will run sessions to assess those children who have applied for consideration as musically talented pupils. Parents must notify the school of their intention to apply under this criteria before 8 October online at hackneynewschool.org. All applicants will be examined on 13 October at the school. Children selected for outstanding musical aptitude will be selected regardless of CAT results i.e. there is no restriction on the number of these children in any one band.

Places will be allocated in the first instance to children in the following order:

- Pupils with an Education, Health and Care Plan that names Hackney New School.
- Pupils who have shown musical aptitude to the level required under the test (i.e. regardless of the band they are in based on their CAT test).

If there are more applicants than places available, the remaining places will be allocated to pupils in each band in the following order of priority:

01. Looked after or previously looked after children who immediately after being looked after became subject to adoption, a child arrangements order or special guardianship order.
02. Children of the founding members of the Hackney New School trust (which will not apply before 2019 and will not make up more than 1% of the full school cohort).
03. Children with a social or medical need. In order to be considered under this criterion applicants must produce a supporting report from either a Senior Social Worker or medical practitioner setting out why Hackney New School is the only appropriate school for this student.
04. Siblings of children at Hackney New School.
05. Siblings of children at Hackney New Primary School.
06. Children living nearest to the gates of the school on Kingsland Road as measured in a straight line using a computerised batch distance measuring system.

In the event of a tie-break between two or more applications after applying the oversubscription criteria, the Admissions Authority will prioritise according to criterion 6, i.e. distance to the school. In the case of a number of addresses being equidistant from the school the children's ranking will be determined by random allocation administered by an independent person from HLT.

ADMISSION POLICY

The admissions policy for Lubavitch Senior Girls' School is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

Priority in admissions will be given to children who are Jewish according to Halochah (Jewish Practice). In the event of any dispute as to whether a child is Jewish, the decision of the Rabbinat of Orthodox Hebrew Congregations of the United Kingdom is final.

Children with Education, Health and Care Plans, where the school has been named will be admitted to the school and will be included in the admission number.

If there are more applications than places available, the Governing body will admit pupils in accordance with the following oversubscription criteria in order of priority:

01. Looked after Orthodox Jewish girls and Orthodox Jewish girls who have been adopted or made subject to a child arrangement order or special guardianship order immediately following having been looked after.
02. Orthodox Jewish girls with a sister living at the same address who is currently on roll at the school and who will continue to be on roll after the proposed admission.
03. Orthodox Jewish girls with a sister on roll at Ruth Lunzer primary school after the proposed admission.
04. Other Orthodox Jewish girls.

05. Other looked after girls and girls who have been adopted or made subject to child arrangement orders or special guardianship orders immediately following having been looked after.

06. Other Jewish girls.

07. Other girls.

In the event of there being insufficient vacancies to admit all applicants in any of the categories listed above, priority will be given to pupils living nearest to the school, as measured in a straight line. For the purpose of calculating distances addresses will be identified from the child's home address to the main entrance of the school using the geographical property references as provided by the borough Council in which the applicant lives.

SUPPLEMENTARY INFORMATION FORMS (SIF)

Applicants must complete an additional application form as well as applying online to the Hackney Learning Trust. The school's Certificate of Religious Practice (CRP) is available directly from the school or can be downloaded at www.learningtrust.co.uk/ssif or from the school website. The completed form must be submitted directly to the school by 7 January 2019.

ADMISSION POLICY

The admissions policy for Mossbourne Community Academy is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands reflecting the national range of abilities (See page 13 for further information). The academy may seek other evidence of the child's academic ability if they are unable to take the test.

Within each band, pupils will be allocated to zones based on the proximity of their home address to the academy, measured in a straight line, as follows:

Inner zone: pupils living within 1km radius of the academy

Middle zone: pupils living from 1km to 2.3km from the academy

Outer zone: pupils living from 2.3km to 3km from the academy

Children with an Education, Health and Care Plan where the academy is named will be admitted ahead of other applicants.

Of the 216 places available at the academy, 25% will be available to each of the four bands. These shall then be divided between the inner, middle and outer zones giving 50% to the inner zone, 30% to the middle zone and 20% to the outer zone. This gives the following numbers per zone and band as follows:

Inner zone: 27 places each band (108 in total)

Middle zone: 16 places each band (64 in total)

Outer zone: 11 places each band (44 in total)

If there are more applicants than places available, places will be allocated to pupils in each band and zone in the following order of priority:

01. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption order, child arrangement order or special guardianship order.
02. Children with a Child Protection Plan for whom the academy is their nearest school.
03. Children with a sibling on roll at the academy in years 7 to 13 at the time of application.
04. Children whose acute medical or social need justifies a place at the academy.
05. Children of staff who work at the academy full time with at least two year's continuous employment or where the academy reasonably considers a member of staff has been recruited for a position for which there is a demonstrable skill shortage.
06. Children on roll at Mossbourne Parkside Academy at the time of application.

Remaining places in each band and zone will be allocated amongst remaining applicants in that band and zone using a random computerised lottery. In the event of a tie-break random computerised lottery will also be used.

SUMMARY OF ADMISSION CRITERIA FOR 2019

Children with an Education, Health and Care Plan where Our Lady's High School is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to pupils in accordance with the following oversubscription criteria in order of priority:

01. Catholic looked after girls and Catholic girls who have been adopted (or made subject to child arrangement orders or special guardianship orders) immediately following having been looked after.
02. Baptised Catholic girls with a Certificate of Baptism and a Certificate of Catholic Practice.
03. Baptised Catholic girls. This will be determined by reference to the applicant's Baptismal certificate.
04. Other looked after girls and girls who have been adopted (or made subject to child arrangement orders or special guardianship orders) immediately following having been looked after.
05. Christian girls. This will be determined by reference to the applicant's Baptismal (or Dedication) certificate and/or a letter confirming membership of the Church.
06. Other girls.

Within each category above preference will be given according to the following order:

- A) Governors will give top priority within a category to any child whose exceptional medical or social needs justify a place at this particular school.
- B) Sisters of siblings who are on roll at the school at the time of the proposed admission.
- C) Distance from school, measured 'as the crow flies' to the Main Entrance door of the school.

SUPPLEMENTARY INFORMATION FORMS (SIF)

Applicants must complete additional application forms as well as applying online to the Hackney Learning Trust. The school's Supplementary Information Form (SIF) must be completed when applying under criteria 2, 3 or 5 and is available directly from the school or can be downloaded at www.learningtrust.co.uk/ssif or from the school website.

A Certificate of Catholic Practice (CCP) and Certificate of Baptism must be submitted by those applying under criterion 2. The CCP is available from the parish where the family normally worships or from the diocesan website. Supplementary information must be returned directly to the school by Friday 20 October 2017.

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of five ability bands which as far as possible will be of equal size (See page 13 for further information). The academy may seek other evidence of the child's academic ability if they are unable to take the test.

Children with an Education, Health and Care Plan where the academy is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to the same number of pupils in each band in the following order of priority:

01. Looked after children or previously looked after children (previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order).

02. Pupils whose siblings attend the academy at the date of application in Years 7 to 13.
03. Pupils with an acute medical or social need for admission to Skinners' Academy.
04. Pupils whose parent is a full-time member of staff at the academy and either (i) the parent has two years continuous full-time employment at the academy or (ii) in the reasonable view of the academy the parent has been recruited for a position for which there is a demonstrable skills shortage.
05. Pupils who live nearest to the main entrance of the academy (Woodberry Grove, N4 1SY) using a straight line measurement.

Where more than one applicant lives the same distance away, any "tie-breaker" decision required will be made by random allocation.

ADMISSION POLICY

The admissions policy for The City Academy, Hackney is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying to the academy, including children with an Education, Health and Care Plan (EHCP) and looked after children, will be required to take the Cognitive Ability Tests (CAT4 Level C) designed by GL Assessments. Children who do not sit the test will be considered after those who sit the test.

Applicants will be placed in one of four bands, based on their performance in the test. An equal number of children will be assigned to each band (where possible) based on the range of ability of the applicants. Each band represents approximately 25% of the applicants. Children with EHCP naming City are included in the appropriate band. If they are unable to take the test, their band allocation will be based on their primary school teacher assessments.

Children with an Education, Health and Care Plan where the academy is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to the same number of pupils in each band in the following order of priority:

01. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order.
02. A child subject to a Child Protection Plan.
03. Children with a sibling on roll at the academy in years 7 to 13 at the time of application.
04. Up to nine children resident in the City of London. If more than nine students apply, selection to be determined by drawing lots.
05. Children of staff employed at the academy, where a member of staff has been employed for two or more years at the time at which the application is being made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.
06. Students will then be offered places on the basis of the proximity of their home (permanent residence) to the main entrance of the academy measured in a straight line on a map or using a computerised distance measuring system.

TIE BREAK

Random allocation undertaken by an independent body will be used as a tiebreaker in categories 2 - 6 above to decide who has highest priority for a place if the distance between a child's home and The City Academy, Hackney is equidistant in any two or more cases.

ADMISSION POLICY

The admissions policy for The Petchey Academy is summarised on the next page. If you want to apply for this school you should read the full admissions policy which is available online at www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands which as far as possible will be of equal size (See page 13 for further information). The school may seek other evidence of the child's academic ability if they are unable to take the test.

Children with an Education, Health and Care Plan where the academy is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to the same number of pupils in each band in the following order of priority:

01. Children in public care (looked after children) and previously looked after children.
02. Children with a brother or sister on roll at the academy in Years 7–13 at the time of the proposed admission. Brothers and sisters must live permanently at the same address and must have a parent in common.
03. Random allocation. The academy will operate a two-zone random computerised allocation system, with the remaining places divided equally between the two zones. Children will be allocated to the inner or outer zone based on the proximity of their home address to the academy as follows:

Inner zone: children living within a radius of 1km of the academy

Outer zone: children living between 1 km and 2.3 km of the academy

If insufficient applications exist within the zone and band required, places will be allocated in the first instance from the alternate zone within the same

band. If places still remain within a band, these will then be allocated from the equivalent zone in the nearest band, looking first at remaining applicants in the band above (where applicable).

Any places remaining after the above process has been applied will be allocated to students living outside both zones, again using a random computerised allocation programme, which will be independently verified.

summarised on the next page. If you want to
apply for this school you should read the full
admissions policy which is available online at
www.learningtrust.co.uk/admissionrules

SUMMARY OF ADMISSION CRITERIA FOR 2019

All children applying for a place must take the Cognitive Ability Tests (CAT4) and their score in the test will place them in one of four ability bands reflecting the national range of abilities (See page 13 for further information). The school may seek other evidence of the child's academic ability if they are unable to take the test.

Children with an Education, Health and Care Plan where the school is named will be admitted ahead of other applicants.

If there are more applicants than places available, places will be allocated to the same number of pupils in each band in the following order of priority:

01. Looked after children and children who have been adopted (or made subject to child arrangement order or special guardianship orders) immediately following having been looked after.
02. Children subject to a Child Protection Plan.
03. Children who are the subject of an Education Supervision Order which names The Urswick School.
04. Children whom the Governors and Headteacher accept have an exceptional medical or social need for a place at The Urswick School.

Remaining places within each band will be divided equally between Foundation and Community applicants.

Foundation Places

- F1. Children who regularly attend a Church of England church.
- F2. Children who regularly attend other Christian churches or chapels, or other Christian denominations as defined by 'Churches together in Britain and Ireland' or members of the Evangelical Alliance or Afro-Caribbean Evangelical Alliance.

In the case of oversubscription within foundation places, priority will be given to:

- Children with siblings at the school at the time of admission or previously.
- Children living nearest to the main entrance of the school measured in a straight line.

Community Places

- C1. Children who regularly attend other World Faith organisations.
- C2. Children with siblings at the school at the time of admission.
- C3. Children living nearest to the main entrance of the school measured in a straight line. In the case of more than one child having the same distance, a decision will be made by drawing lots.

IMPORTANT CHANGES FOR ADMISSION FROM 2019

From September 2019 onward Yesodey Hatorah Senior Girls School will open Years 5 and 6 classes in addition to Year 7-11. The normal point of entry will be Year 5.

There is a new application process for children to the start at the school in 2019 in Years 5, 6 and 7.

HOW TO APPLY

It is not possible to apply for the school using the online, eAdmissions system. Applications must be made on a paper form and returned to Hackney Learning Trust School Admissions and Pupil Benefits team.

Get the application form to apply for a place in Year 5, Year 6 or Year 7 to start at the school in September 2019 at www.learningtrust.co.uk/yesodeyhatorah

You can also call the Admissions and Pupil Benefits team on **020 8820 7000** (Option 3) or email admissions@learningtrust.co.uk

SUMMARY OF ADMISSION CRITERIA FOR 2019

Yesodey Hatorah Senior Girls School is a school with religious designation which exists to meet the needs of Charedi Jewish families who desire a Charedi Jewish education for their daughters. Any disputes as to whether a child is Charedi will be settled by reference to the Rabbinat of the Union of Orthodox Hebrew Congregations.

Children with Education, Health and Care plans, where the school has been named, will be admitted to the school and will be included in the admission number.

If there are more applications than places available, the Governing body will admit pupils in accordance with the following oversubscription criteria in order of priority:

01. Charedi Jewish girls who are looked after children or previously looked after children.
02. Charedi Jewish girls with sisters at the school at the time of application. A sister must live permanently at the same address as the child for whom the application is being made. This includes half sisters, step sisters and foster sisters who live permanently as a family unit at the same address.
03. Other Charedi Jewish girls.
04. Other girls who are looked after children or previously looked after children in public care.
05. Other girls.

If there are insufficient vacancies for all applicants in any of the above categories, priority will be given to pupils living closest to the school. Distance will be measured in a straight line from their home address to the main gates of the school.

SUPPLEMENTARY INFORMATION FORMS (SIF)

Applicants must complete an additional application form as well as applying online to the Hackney Learning Trust. The school's supplementary information form is available directly from the school or can be downloaded at www.learningtrust.co.uk/ssif or from the school website.

HOW PLACES WERE OFFERED IN 2018

All applicants seeking a place at the school for September 2018 were offered.

PLEASE NOTE

The Office of the Schools Adjudicator has recently considered an objection against the admission arrangements which will result in some changes to the admission arrangements.

PUPIL BENEFITS

Children whose parents receive certain Department for Work and Pensions (DWP) benefits and Inland Revenue Tax Credits may qualify for pupil benefits from Hackney Council. Parents can get free school meals when their child starts school, a clothing grant when transferring from primary to secondary schools at age 11 and help with home to school travel fares. We will also assess eligibility for the Pupil Premium and, if attending a school in Hackney, let them know.

To apply for any of the above pupil benefits you will need to complete specific application forms available online from our website. Please go to www.learningtrust.co.uk/pupilbenefits

PLEASE NOTE

Pupil benefits may change due to government policy and guidance. Hackney Learning Trust has the right to change existing grants and travel policies at any time.

FREE SCHOOL MEALS

Your child can have free school meals if you get:

- [Income support](#)
- Income based [Job Seekers Allowance](#)
- Income related [Employment and Support Allowance](#)
- [NASS support](#)

- Guarantee element of [State Pension](#)
- [Child Tax Credit](#) with an income of £16,190 or less where the household is not getting Working Tax Credit
- [Working Tax Credit](#) for the four weeks after employment ends
- [Universal Credit](#), Your household income must be less than £7,400 a year (after tax and not including any benefits you get)

If you are not entitled to pupil benefits, school meals are available for a standard charge. Schools can also arrange meals for children who have special diets for religious or health reasons. You should speak with your child's school about this.

CLOTHING GRANT AT AGE 11

Pupils transferring from primary to secondary school at age 11 may be able to get a clothing grant. The grant is £100 and must be used to purchase clothing suitable for the school. Further information about who is eligible and how to apply is available online at www.learningtrust.co.uk/pupilbenefits.

This scheme does not apply to Hackney New School, Skinners' Academy, The Petchey Academy or Lubavitch Senior Girls. You will need to contact them to find out their policies on help with uniform costs.

HELP WITH HOME TO SCHOOL TRAVEL

Hackney Learning Trust can help with tube and/or train fares for children living in Hackney. Children are entitled to free transport if there is no suitable, alternative, nearer school place on offer, and they cannot reasonably be expected to travel by bus. Bus fares are currently free for secondary aged children (see the section below on "Free transport for children in London").

Children who are entitled to free transport will be funded to purchase a travel card each term. This will allow them to travel to and from a state-funded school. We will pay for the cheapest form of suitable transport from home to school. You can apply at any time, but you must live in the borough of Hackney. If you have been assessed on your income, you will have to re-apply every year to check that you are still entitled to this help. You have the right to appeal if you are refused help with travel costs.

Children can qualify for free transport if any of the circumstances outlined below apply.

Non-income assessed parents

01. Children with Special Educational Needs, disability or mobility problems without suitable, alternative, nearer school place on offer. Also, children who cannot be expected to walk to school, even though it is within the normal walking distance of three miles. Evidence of the child's disability or mobility difficulties must be provided.
02. Children that cannot reasonably be expected to walk a particular route – even though the school is within the normal walking distance of three miles because of the nature of the route.
03. Children attending a school outside the distance (three miles or more), who do not have a suitable alternative nearer school placement offer.
04. Children attending a school outside the distance (three miles or more) on grounds of religion or belief who do not have a suitable alternative nearer school available to them. Parents will need to prove that they have applied and been refused a place at other equivalent nearer schools.

Income assessed parents

The below criteria applies only to students who are either eligible for Free School Meals or have parents in receipt of their maximum level of Working Tax Credit.

05. Children aged 11 or over, where there are not three or more suitable nearer school places, and where the school place is more than two miles but not more than six miles from home.
06. Children attending a school on grounds of religion or belief, where the school is more than two miles and less than 15 miles from home, and there is no suitable alternative school nearer home. Examples might include a particular ethos in a school or a single sex school of a religion different to the parents where their belief in single sex education is sufficiently serious.

Hackney Learning Trust will consider the safety of the route when measuring statutory walking distance.

FREE TRANSPORT FOR CHILDREN IN LONDON

Hackney has a great network of buses, London overground and rail links making it easy to get to any of our local schools.

Travel-for-under-18s

Generally, the cheapest way for children to travel is by using a Zip Oyster photocard. Apply for an Oyster photocard <https://tfl.gov.uk/fares-and-payments/travel-for-under-18s>

With a Zip Oyster photocard:

- 16 and 17 year olds can travel at half adult-rate on all TfL services and most National Rail services in London. If they live in London they may be eligible to travel free on buses and trams
- 11-15 year olds can travel free on buses and trams and travel at half adult-rate on all other TfL services and most National Rail services in London
- 5-10 year olds can travel free on all TfL and most National Rail services in London

Find out more and how to apply for a Zip Oyster photocard. <https://tfl.gov.uk/fares-and-payments/travel-for-under-18s>

EXPLANATION OF TERMINOLOGY

Academies and free schools:

Academies are state-funded schools independent from the local authority and responsible for their own admission arrangements.

Admission arrangements / admissions criteria:

A formal document that sets out how a school or local authority will manage the admission of pupils. The document normally explains which applications will have priority for places (the admission criteria or oversubscription criteria).

Allocation / allocated:

The offer of a school place or the process of offering a school place.

Applicant:

The person (parent, carer or family member) who has parental responsibility or care of the child and who has submitted the application for a school place.

Banding / ability bands:

The process of dealing with application in groups (bands) according to cognitive ability so that an even spread of children of both lower and higher ability are admitted to school. Schools who use banding will have either four or five bands. The ability range within each band will be based on either the ability range of those applicants who apply for place at the school or on the national range of abilities as below:

Band A: above 110

Band C: 90–100

Band B: 101–110

Band D: below 90

CAT score:

The average mean score attained after completing the CAT4 test. CAT4 is an online cognitive ability test administered by an independent company which provides a robust, standardised measure of cognitive reasoning ability, without reference to curriculum-based material and regardless of previous achievements or first language.

CCP (Certificate of Catholic Practice):

This is an additional form to be completed for applicants considered under the criteria of Catholic schools. All practising Catholic families applying for a place at Hackney's Catholic secondary schools must complete and return a CCP signed by their parish priest directly to the school by the published closing date. CCP forms are available from the parish where your family normally worships and is also on the Westminster Diocese website.

Community schools:

State-funded schools whose admission arrangements are set by the local authority.

Computerised distance measuring system:

A way of calculating straight line distances from a child's home address to the main entrance of the school.

Cut-off distance:

The home-to-school distance of the last pupil who was offered a place under the distance criterion.

Education, Health and Care Plan:

A document which sets out the education, health and social care needs of children and young people aged up to 25 and the support that is necessary to cater for those needs. The document will usually name the specific school that the child or young person must attend.

Fair access protocol:

A process for admitting pupils to school other than through the normal admissions process.

Home local authority:

A child's home local authority (local council) is the Local Authority (LA) where they live i.e. the council you pay your council tax to.

Looked after children:

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22 of the Children Act 1989(a) at the time an application to a school is made.

Ofsted:

Ofsted is the Office for Standards in Education, Children's Services and Skills. Ofsted inspect and regulate services that care for children and young people, and services providing education and skills for learners of all ages. www.ofsted.gov.uk

Oversubscribed / oversubscription criteria:

An oversubscribed school has more applications than places available. Oversubscription criteria are the rules used to determine who has priority for a place at an oversubscribed school.

PAN (published admission number):

The number of school places that the admission authority must offer in each relevant age group.

Preferences:

A ranked list of schools submitted on an application, with the most desired school first, and followed by the second most desired school, and so on.

Previously looked after children:

Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order. This includes children who were adopted under the Adoption Act 1976 and under the Adoption and Children Act 2002. Child arrangements orders replace residence orders in force prior to 22 April 2014.

Pupil premium:

Pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

Random allocation:

A process of offering school places by lottery. Random allocation is usually determined using a computer system developed by a software company independent of the schools or performed manually in the presence of an independent witness e.g. drawing names out of a hat.

Religious or faith schools:

These schools practise a particular faith and their governing body is responsible for their own admission arrangements.

Sibling:

Sibling normally refers to a brother or sister, half-brother or sister, adopted brother or sister, step-brother or sister, or the child of the parent or carer's partner, living as a family unit at the same address. A sibling must live permanently at the same address as the child for whom the application is being made. Siblings do not include cousins, aunts, uncles or any other family relations.

SIF (supplementary information form):

This is an additional form that may also have to be completed for applicants considered under the criteria of faith schools. The completed SIF form must be signed by a religious leader and submitted directly to the faith school by the published closing date. SIF forms are available from faith schools and Hackney Learning Trust.

Voluntary-aided schools:

Voluntary-aided schools are often religious schools funded by the local authority. The governing bodies of Hackney's religious schools set and apply their own admission criteria.
