

Statutory Notice to propose the creation of Additional Resource Provision for SEND at Comet Nursery School and Children's Centre

The London Borough of Hackney proposes to establish Additional Resource Provision (ARP) for SEND at Comet Nursery School and Children's Centre from September 2025.

The number of children and young people with an Education, Health and Care Plan (EHCP) in Hackney has increased significantly. Children and young people identified as having Early Years SEND needs have accounted for a significant proportion of the increase in EHCPs in Hackney.

The London Borough of Hackney (the Council) therefore proposes to establish:

- a 24-place Additional Resource Provision (ARP) for Early Years at Comet Nursery School and Children's Centre

The ARP will offer children with SEND the benefit of attending a nursery school, whilst also receiving specialist input for their needs.

The new Additional Resource Provision will be based at the current site of Comet Nursery School and Children's Centre, 20 Halcomb Street, London N1 5RF.

Admission to the ARP will be determined by the London Borough of Hackney's Education, Health and Care Panel.

This Notice is an extract from the complete proposal. Copies of the complete proposal can be obtained from: Hackney Education, School Place Planning, 1 Reading Lane, London E8 1GQ, or via email: schoolplaceplanning@hackney.gov.uk.
