a) The City Academy, Hackney has an agreed admission number of 180 students. The City Academy, Hackney will accordingly admit at least 180 students in the relevant age group each year if sufficient applications are received.

b) The City Academy, Hackney may set a higher admission number as its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, The City Academy, Hackney will consult those listed at paragraphs 7 and 8 of Annex 2 published with this document. Students will not be admitted above the Published Admission Number unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

c) Process for admission out of the normal age range will be made via Hackney Education and will be subject to the over subscription criteria.

Process of application

4. Applications for places at the academy will be made in accordance with the LA's coordinated admission arrangements and will be made on the Common Application Form. The City Academy, Hackney will use the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by the LA Admissions Forum or LA:

a) By September – The City Academy, Hackney will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2022 for admission in September 2023). This will include details of open evenings and other opportunities for prospective students and their parents to visit the school. The City Academy, Hackney will also provide information to the LA for inclusion in the composite prospectus, as required;

b) September – The City Academy, Hackney will provide opportunities for parents to visit the academy;

- g) 1st March – offers made to parents.

Consideration of applications

5. Children applying to the academy will be required to take CAT tests.

- Applicants will be placed in one of four bands, based on their mean CAT score.
- Approximately, the same number of children will be admitted in each of the four bands so that each band represents 25% of the applicants.
- Children admitted who are subject to an Education Health and Care Plan (EHCP) are included in the band allocations.
- The academy may seek other evidence of the child's academic ability if (for acceptable reasons) the child is not able to take the CAT test.

6. The City Academy, Hackney will consider all applications for places. Where fewer than the published admission number for any relevant age group are received, The City Academy, Hackney will offer places to all those who have applied.

The academy's published admission number is 180. The academy will consider all applications for places. Where fewer than 180 applications are received, the academy will offer places to all those who have applied.

Notwithstanding the above paragraph, the academy may refuse admission outside the normal admission round to particular applicants in cases where fewer than the published admission number has applied. The ability to refuse applications applies to applicants who have been permanently excluded from two or more other schools and the ability to refuse admission runs for a period of two years from the date of the last exclusion. Exclusions that took place before the child concerned reached compulsory school age do not count for this purpose and this provision does not apply to children subject to an EHCP; children who were reinstated following a permanent exclusion; and children who would have been reinstated following a permanent exclusion had it been practicable to do.

Procedures where The City Academy, Hackney is oversubscribed

7. Where the number of applications for admission is greater than the published admissions number, applications will be considered within each band against the criteria set out below. After the admission of students subject to an EHCP where The City Academy, Hackney is named on the EHCP, the criteria will be applied in the order in which they are set out below:

a) Looked after children and those previously looked after children, including children in state care outside of England (children who were looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order). A looked after child is a child who is (i) in the care of a local authority, or (ii) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989).

b) A child subject to a child protection plan.

All children from multiple births will be offered a place if one meets the criteria for admission in any of the four bands.

d) Up to a maximum of nine children (across all bands) resident in the City of London (if more than nine students apply, selection within fair bands to be determined by drawing lots).

e) Children of staff employed at the academy, where a member of staff has been employed for two or more years at the time at which the application is being made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.

f) Students will then be offered places on the basis of the proximity of their home (permanent residence) to the main entrance of the academy measured in a straight line on a map or using a GIS system (proximity is measured using straight line measurement from the main entrance of the academy to the main entrance of the child's home).

Tie Break

Random allocation undertaken by an independent body will be used as a tiebreaker in categories b - f above to decide who has highest priority for a place if the distance between a child's home and The City Academy, Hackney is equidistant in any two or more cases.

Operation of waiting lists

8. Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the academy will operate a waiting list. Where in any year The City Academy, Hackney receives more applications for places than there are places available, a waiting list will operate until a month after the admission date. This will be maintained by Hackney Education and The City Academy, Hackney and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

9. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraph 7a – e above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.
