

Admissions Criteria: 2024/25 Academic Year

The foundations of The Urswick School have been part of Hackney's community for over 500 years. We welcome applications from ALL faiths and families with no faith. We are a Christian School not just a school for Christians. We welcome applications from children from all other world faiths for our open or community places and give priority to those who are able to demonstrate a commitment to their individual faith.

The Urswick School has an agreed admission number of 180 students for the academic year 2024/5, subject to the completion of building works. Students will not be admitted outside of their chronological Year group. If the building works are not completed at this time, the PAN will be 150. Parents are advised to check the school's website for updates. <https://www.theurswickschool.co.uk/74/admissions>

All children applying for a place at The Urswick School will be required to take the Cognitive Ability Tests (CAT) arranged by Hackney Education. Children will be placed in one of four bands based on their CAT score. The boundaries of each band reflect the national range of abilities and are as follows:

Band	CAT Score
Band A	Above 110
Band B	101 – 110
Band C	90 - 100
Band D	Below 90

Where possible, the same number of children will be admitted into each of the four bands to ensure a balanced intake that reflects the full ability range. Children with an Education and Health Care Plan (EHCP) and looked after children who do not take the tests will be allocated an appropriate band on the basis of an alternative assessment (for example, KS2 Teacher Assessments in English and Maths).

Having received a band allocation on the basis of their CAT score, children will be awarded places within each band using the oversubscription criteria. Where any other applicant has not been able to take the CAT test, the governors will request a KS2 Teacher Assessment in English and Maths from the primary school.

Procedures where The Urswick School is oversubscribed

Where the number of applicants for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of children with an EHCP where **The Urswick School** is named on the EHCP (see note 1), places will be allocated to applicants in the following priority order:

A Foundation (Church) places. (90 places)

For a place in this category, the applicant must regularly attend a Church of England church or other Christian churches or chapels (see note 2), or other Christian denominations as defined by 'Churches together in Britain and Ireland' or members of the Evangelical Alliance or Afro-Caribbean Evangelical Alliance (see note 2).

To apply for a place in this category, a Supplementary Information form should be completed, so that the governors may consider the application fully, and returned to the school before 31 October, NOT the local authority. If a Supplementary Information form is not returned, the applicant cannot be considered for a Foundation Place.

- 1 Looked after children and former looked after children who have been adopted (or made subject to residence orders or special guardianship orders) immediately following having been looked after, also Internationally Adopted Previously Looked After Children;
- 2 Children subject to a Child Protection Plan;
- 3 Children who are the subject of an Education Supervision Order which names The Urswick School;
- 4 Children whom the Governors and Headteacher accept have an exceptional medical or social need for a place at The Urswick School. Applications will only be considered under this category if they are supported by a written statement from a medical consultant, senior social worker or other appropriate professional. In each case there must be clear connection between the child's needs and The Urswick School, and an explanation of the difficulties which would be caused if the child were to attend another school. Parents are requested to note that very few applicants are awarded this priority.
- 5 Siblings of pupils in years 7 – 11 who will be on roll at the time of admission or previously. A 'sibling' refers to a brother or sister, half-brother or sister, adopted brother or sister, step-brother or sister or the child of the parent/ carer's partner living at the same address.
- 6 Children living nearest to the main entrance of the school measured in a straight line. For tie breaker see below.

If there are more applicants for places in Category A (Foundation), the remaining applicants without a Category A place will also be considered for a Category B place (Open and Community)

B Open or Community places. (90 places)

Places in this category are given to all other world faiths and those of no faith.

Applications for 'other world faiths' (non-Christian) should return a Supplementary Information Form signed by a Faith Leader, so that governors may consider the application full, and in order to be considered under sub section 6. This should be returned to the school by 31 October.

Tie Breaker

The tie breaker for any category 'cut off' will be distance from the school gate to the home address as identified using geographical references determined by the information provided by the borough council in which they live. In the event of parental responsibility for a child being equally shared between separated parents living at different addresses, the home address will be considered to be that of the parent/carer who receives the relevant Child Benefit Allowance. In the case of more than one child having the same distance a decision will be made by drawing lots.

Under subscription of Category A places.

If there is an undersubscription in Category A (Foundation Places), additional places will be offered under Category B (Open or Community places)

ACADEMIC ENTRY REQUIREMENTS - Please see the Sixth Form area of the school's website (www.theurswickschool.co.uk) for individual subject entry requirements for appropriate academic year.

TRAVEL

Sixth Form students do not have access to staff car parking facilities. In line with Hackney's sustainable mode of travel strategy <https://hackney.gov.uk/stp-cycling> we encourage Sixth Form students to walk or cycle to school. We have excellent facilities for secure bicycle storage at the school. The school is also very close to public transport links.

ENQUIRIES FOR THE SIXTH FORM

Any enquiries in respect of Sixth Form admissions should be directed to The Urswick School, Paragon Road, Hackney, E9 6NR (telephone 020 8985 2430).

In-Year Admissions

Applications for In-Year admissions are made in the same way as those made during the normal admissions round. If a place is available and there is no waiting list, then the Governors will communicate their offer of a place to the family. If more applications are received than there are places available, then applications will be ranked by the governing body in accordance with the oversubscription criteria without reference to banding.

A letter of refusal will be sent by Hackney Education who will give the reason and offer you on your right of appeal. You will also be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria (as detailed above) and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the governing body will decide who is at the top of the list so that the parent/carer can be informed that the School is making an offer.
