Read this guide carefully – all the important information you need is included.

You can also get more detailed information online at education.hackney.gov.uk/primaryguide

View an online briefing using your smartphone, tablet, laptop or desktop computer. Visit education.hackney.gov.uk/primarybriefings for more

information.

#### Find your local schools

Use the map at the back of this guide or you can find schools near your home online at map.lgfl.org.uk/eAdmissions/

#### Decide the order of your preferences

You should list more than one school (maximum 6). Listing only one school does not mean you will be offered a place.

The order is important. List your favourite school as the first preference, then your next favourite school as your second preference and so on. Listing a school as your first preference does not increase your chance of being offered a place.

Each school is given equal consideration regardless of where you list it in your preferences. The order of your preferences will only be considered if your child qualifies for more than one place.

Hackney Education is the department within Hackney Council that is responsible for Hackney's children's centres, schools and early years providers. Our vision is to provide excellent education for every child and young person.

### WELCOME

On behalf of the Hackney family of primary schools, we would like to thank you for trusting us with your child's education. We are very proud that our schools are the first choice for many local parents and carers, and are some of the most successful educational institutions in the country.

We know that choosing the right school for your child is a decision that can feel overwhelming for any family, and we want to reassure you that our schools are ready to support you.

99% of our primary schools are currently rated as good or outstanding by Ofsted, and our 2023 results show that children at Hackney primary schools significantly outperform national averages.

The success of our schools does not come without challenges. In recent years, London boroughs, including Hackney, have been affected by a significant decrease in the number of school aged children. Schools are funded by the central government based on their number of pupils, so fewer children means less funding. This is why last year we as a Council had to make one of the most difficult and saddest decisions in recent years, permanently closing four of our beloved Hackney schools.

We want to reassure you that we will continue to do everything we can to make sure that the financial pressures on our schools do not negatively impact the quality of the education that we offer to our children, and that our schools continue to be as robust as possible, and ready to respond to the needs of our diverse communities.

Our mission is to offer all our children the best chances in life, and we know its success depends on the hard work of our staff, as well as the support of parents and carers. As your child becomes part of the Hackney schools' community, we hope you'll want to get involved in their education, and support them in this important transition. We ask you that as they get used to the school life you continue to encourage them to be curious about the world around them, respectful to their teachers and their peers, and open to learning new things and finding their passions.

This guide explains the steps you need to take to apply and secure your child's place at a primary school in Hackney.

Whichever school your child begins their education at, they are guaranteed excellent opportunities to thrive and be happy.

We wish you and all children starting primary school in Hackney the very best, and we look forward to welcoming your child to one of our schools.

Cllr Bramble Deputy Mayor of Hackney

Jason Marantz Director of Education Hackney Education

If your child has a plan or, having gone through an EHC needs assessment, has been issued with a draft plan by 3 January 2025 then you should not apply through the general admission process. You will get a school preference form to complete from the Education, Health and Care Planning (EHCP) team. If your child has not received a draft EHC plan by 3 January 2025 please use the process outlined in this guide.

Visit www.hackneylocaloffer.co.uk/primarysend for more information or call 020 8820 7000 Option 4.

#### WHAT DOCUMENTS DO I NEED TO SEND WITH MY APPLICATION?

You do not need to send any additional documents with your application. To confirm your address we will check your details against council tax and other council records. If it is not possible to confirm your address we will contact you directly to request further evidence.

If you have changed address in the last year and the school you wish to apply for is oversubscribed, you may be asked to complete a questionnaire to prove that you live permanently at your current address.

Failure to provide proof of your address evidence, if requested, may cause delays in processing your application.

More information about address checks and fraudulent applications is available online at education.hackney.gov.uk/primaryaddress

#### LATE APPLICATIONS

Applications open on 1 September 2024 and the closing date is Wednesday 15 January 2025. If you submit your application after this date it will be considered late unless there were exceptional reasons that prevented you from applying on time.

The last date that exceptional reasons can be considered and agreed is **Wednesday 12 February** 2025. After this date your application will be late regardless of the circumstances and will only be considered after all the applications that were sent in on time have been dealt with. This is most likely to be after national offer day (16 April 2025), but some late applicants may still be advised about the outcome of their application on this date.

#### HOME ADDRESS

Your child's home address is the address where they are living on the closing date, 15 January 2025. Where parental responsibilities are equally shared, we will consider the home address to be the place where your child sleeps and spends most of their time, from Monday to Friday. This is the address that will be used to process your application and calculate home-toschool distance or confirm a sibling attending the school. If you're not sure what address to use you should seek advice before submitting your application.

More information is available online at education.hackney.gov.uk/primaryaddress

#### PRIORITY APPLICATIONS

Some applicants have higher priority for places according to the admissions criteria of the school. Common priority criteria are outlined below. You should read the admission criteria for your preferred schools online at **education.hackney.gov.uk/primaryschools** 

## Looked after children/previously looked after children

If you are completing the application for a looked after child or a child who was previously looked after, please tell us on the application form. This includes children in state care outside of England, but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order.

You must name the council who looks after the child (or previously looked after the child) and provide a letter from the social worker to confirm this. In addition, if the child was adopted or became subject to a child arrangements or special guardianship order you must also provide a copy of the child arrangements order, special guardianship order or proof of adoption from the relevant local authority or country.

#### Children with a Child Protection Plan

If you are completing the application for a child that is the subject of a Child Protection Plan you must tell us directly by emailing **reception.class@hackney.gov.uk** 

#### Children with exceptional medical or social needs

Some schools and academies give priority to children who have an exceptional need to attend a specific school on medical or social grounds. If this is the case for your child you must tick the appropriate box on the online form and provide detailed evidence from a GP, hospital consultant, social worker or any other agency or professional involved with your case.

The evidence must be specifically about your child's medical/social condition, the effects of the condition and why your child needs to attend a particular school. The evidence should also include detailed knowledge of the school in terms of resources and organisation which demonstrate that your child can only attend the specific school and why no other school is suitable. Your own medical needs cannot justify a place at a particular school but you can apply if you can demonstrate that your child has a social need arising from your medical needs.

It is your responsibility to provide evidence to support your claim and this must be submitted with your application by **Wednesday 15 January 2025**. If you submit evidence after the closing date, it may not be possible to consider it in time for National Offer Day (16 April 2025) but it will be considered for offers made after this date. If you tick the box on the application form but do not submit evidence, your application will not be considered under this criterion and you will not be reminded to submit evidence.

Not all academies and schools in Hackney give priority on medical or social grounds and you should read the admission criteria for your preferred schools online at education.hackney.gov.uk/primaryschools

#### Sisters and brothers (siblings)

Your child may have higher priority if they have an older brother or sister at the school you are applying for. The older child must still be at the school when the younger child starts. You must tell us on the application form by ticking the box and giving the older child's name and date of birth. If your child has more than one brother or sister at the school please provide the details of the youngest brother or sister. If you do not provide this information you may not be given the sibling priority.

When applying to Hackney community primary schools, if your family has moved further away from the school since the last sibling was offered a place, priority will only be given where you continue to live within 0.75 miles of the school.

However, if you were forced to move address more than 0.75 miles from the school, e.g. you were rehoused, or there are exceptional reasons why you believe your child should still be given sibling priority despite having moved more than 0.75 miles from the school, you must make a claim for priority under the exceptional medical or social needs criterion outlined on this page.

#### Children of staff

Some schools give priority to children of staff working in their school. If you work at a school you are applying for you must indicate this on the application form.

#### DELAYING YOUR CHILD'S START IN RECEPTION

After a school place has been offered you can delay your child's start in reception class or request they go part-time when they first start school by speaking to the headteacher of the school.

In limited circumstances you can request to defer your child's admission to reception class for a full year until September 2026. Further information is available online at **education.hackney.gov.uk/deferreception**

### BEFORE YOU APPLY...

Schools and academies in Hackney are very popular and not all applicants can be offered a place. You should follow the advice below and think carefully about which schools you list on your application before you apply.

#### VISIT SCHOOLS

Where possible you should visit schools to get an idea of what they can offer. Headteachers are more than happy for parents to visit their schools provided you contact them in advance of your visit. If you cannot visit schools you can get more information from their websites.

## ARE YOUR PREFERENCES REALISTIC?

Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and figure out which criteria apply to your child. If you list a school as a preference on your application you should read the full admissions policy which is available online at **education.hackney.gov.uk/primaryschools** or on the school's website.

If you are unsure whether you will qualify for a place you can call the admissions team for impartial advice on **020 8820 7000**.

# ¢

#### DO YOU LIVE CLOSE ENOUGH TO GET A PLACE?

Some schools use home-to-school distance as part of their admission arrangements. You can find out the approximate distance to your preferred schools using the

## GOV.UK schools finder online at www.get-information-schools. service.gov.uk

The distance from home to school of the last child offered a place at Hackney schools from previous years (i.e. the cut-off distance) is available online at

#### education.hackney.gov.uk/cutoffdistances

Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the cut-off distance will change every year. We can never guarantee any child will be offered a place at any school.

## HOW WILL YOUR CHILD TRAVEL TO SCHOOL?

It is very important that your child arrives on time to school each day. A long journey at peak times could make it difficult and may not be the best choice for your child. Hackney has a great network of buses, London overground and rail links making it easy to get to any of our local schools.

Travel to school is free on Transport for London (TfL) buses. Parents accompanying children must pay the normal fare. Some children may be eligible for help with the cost of tube and/or train journeys. Further information is available online at education.hackney.gov.uk/travel

#### RESEARCH SCHOOL PERFORMANCE AND INSPECTION OUTCOMES

All schools in Hackney are inspected regularly by Ofsted. You can access the latest Ofsted reports at

#### education.hackney.gov.uk/primaryschools

Headteachers will be happy to talk to you about any part of the Ofsted report for their school.

You can get information about an individual primary school's performance results from the Department for Education (DfE) website at www.compare-schoolperformance.service.gov.uk

#### GET ADVICE

Remember that the right school for your friend's child may not be the right school for your child. Don't judge a school solely on what others say – It is important to do your research and make up your own mind about the schools you apply to.

The school admissions team can provide impartial, expert advice about how likely you are to be offered a place at Hackney schools. They can help you understand how the offer process works and how to make best use of your six preferences.

## MYTH BUSTERS – GET THE FACTS!

It is easy to make assumptions about how school admissions works. Here are some of the common assumptions and misunderstandings as well as the facts.

My child has a right to a place at one of my preferred schools.

My child is in the nursery so they will automatically go into Reception.

If I list only one school then I have to be offered a place.

I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

Children in my road go to the school so my child will too.

If I apply to a school in another borough, their residents will have priority over me.

It does not matter if my application is late.

Church schools are only for children from religious families. Not true! ... your child will only be offered a place if they qualify according to the school's admission criteria. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic) they will usually be offered a place at the nearest school to your home with a vacancy remaining after all on-time applicants have been offered places.

Not true! ... you must apply for your child even if they already attend the nursery. Schools must consider applications from children in the nursery in the same way as all other applicants, i.e. in accordance with the admission criteria for the school. Children in the Nursery are NOT given priority.

Not true! ...listing only one school does not increase your child's chances of being offered a place. You are strongly advised to include your nearest schools amongst your preferences.

Not true! ...the home-to-school distance of the last child offered a place will change every year. The information about offers in previous years is available online at **education.hackney.gov.uk/cutoffdistances** 

This information is a guide only and no child is guaranteed a place at any school.

Not always ...the number of pupils offered under each criterion at each school can change every year. Just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there

Not always! Some admission authorities may give priority to local children, i.e. based on postcode, however published admissions criteria cannot include the borough of residence. You should read the admission arrangements to see how children are prioritised for a place.

It matters! ... if you apply after **15 January 2025**, we will look at your application after all those that applied on time have been processed. In this case it is very unlikely that you will be offered a place at a popular school.

Church schools have a Christian ethos but they welcome children of all faiths and no faith. You do not have to attend a place of worship to be considered for a place.
