The London Borough of Hackney is a vibrant, diverse and rewarding place to teach with outstanding results and outcomes for pupils.

Our schools reach communities across London Fields, Homerton and Lower Clapton in Hackney with over 1,200 pupils on roll. All three schools are within easy transport links into and out of Central London. We aim to ensure that every child succeeds to the best of their ability and receives a broad and balanced education which fosters a love of learning for life. We have developed a brand-new curriculum called the LEAP empowerment curriculum where many of the units are written and designed by our school leaders to ensure that what we teach gives all children the knowledge of history, geography and world politics that has led us all to this community we live and work in.

We are committed to continuous improvement and developing a sense of shared purpose and belonging across the whole community.

Between the schools we have won many awards including the Mayor's Award for music provision and Arts Mark Platinum by the Arts Council. We have won Beacon Cycling school awards, School of the Region and Gold and Silver awards from TfL for our work promoting sustainable travel.

The schools are very well resourced with a dedicated art gallery [#TAG at Gayhurst](#), dance studio, chickens, our very own cooking school in the award winning [Hackney School of Food](#) which features a large productive vegetable garden where all LEAP children get to grow, harvest and cook meals. !

Our healthy tasty free to staff school lunches cooked by highly respected chefs have won national acclaim and staff regularly feedback that this and other staff wellbeing initiatives make all the difference to their daily work.

We lead the Hackney Teaching & Schools Alliance ([www.hackneytsa.org.uk](http://www.hackneytsa.org.uk)) which is an alliance of 15 other primary and secondary schools in Hackney and have designed a career pathway from Teacher apprenticeship, through ECT training, second- and third-year development programme, middle leaders, senior leaders and new Headteachers. We are always looking out for future leaders among our new recruits. Our focus on continuing professional development means we have a low staff turnover and high standards of teaching and learning throughout. Many of our staff deliver training both locally and nationally and we have 6 dedicated Specialist Leaders of Education and a National Leader of Education who design and deliver bespoke training for all our staff.
