Ms Anna Feltham: Headteacher

Dear Candidate,

Thank you for considering joining us as an **Attendance and Inclusion Mentor**. We're delighted you're interested in becoming part of the CGA community.

CGA is a vibrant, ambitious school where every student is encouraged to aim high and every member of staff is supported to thrive. We're proud to share some of our recent achievements:

- Outstanding in all areas – Ofsted, May 2024
- Silver Secondary School of the Year award (Pearson) 2025
- Autism Inclusion Award (National Autism Society) July 2025

The two Attendance and Inclusion Mentor roles are new posts at CGA designed to support students experiencing barriers to attendance. If appointed, you will be well supported by our dedicated Pastoral Team who are supportive, committed, and relentless in ensuring that every student from Years 7–13 has the opportunity to achieve their very best. We work proactively to identify and remove barriers to learning, attendance, wellbeing, and engagement, providing tailored support that enables young people to thrive both academically and personally. Through strong partnerships with parents, and a wide range of external agencies and support services, we take a collaborative approach to meeting students' needs. By building positive relationships and delivering timely interventions, our team helps students develop the confidence, resilience, and skills they need to succeed and fully engage in school life.

Your Wellbeing Matters

We know that great learning for students starts with happy, healthy staff. That's why we prioritise work-life balance and staff wellbeing. Here are just a few ways we support this:

- Flexible working options to help you balance your professional and personal life;
- A two-week October half-term to give you time to recharge;
- Regular opportunities for staff feedback – we listen and act on what matters to you;

As a member of our team, you'll benefit from excellent CPD, access to excellent professional development, and the chance to grow in a school that values collaboration, and creativity. We're proud to be an anti-racist school and are committed to building a staff team that reflects Hackney's rich diversity. If you're passionate about shaping the next generation of female leaders, we'd love to hear from you.

We look forward to welcoming you.

Kind regards,

Anna Feltham
