Cardinal Pole Catholic School

The 2017 OFSTED praised the work of the school in every aspect, grading the Sixth Form and Personal Development as outstanding. Our most recent inspection in October 2016 from the Diocese of Westminster graded the school as outstanding in every category. The report commented that our 'distinctive inclusive ethos of this school is tangible in every area of school life from classroom to corridors and in relationships between students and staff' and described progress as outstanding. Importantly, it described the school as a 'safe place that allows all to flourish' and a place where 'students make outstanding progress'.
