

Class Teacher

Holy Trinity CE Primary School is a one form entry primary school in the heart of Dalston. We are part of a federation of seven schools called Primary Advantage. Primary Advantage schools are exciting places with high expectations and we promote innovation, forward thinking and excellence. The federation offers the unique opportunity to be part of a community of teachers who regularly share best practice and learn from each other.

We believe that our schools gain many benefits from working collaboratively and can achieve more by working together. We have made a commitment to a shared responsibility to the wider education community, the provision of good quality education and the improvement of life chances for pupils in the community beyond that of our own schools. Teachers, support staff, school leaders and Governors have added expertise in working alongside colleagues to improve provision and outcomes for pupils.

Primary Advantage and its schools strive to be diverse and inclusive communities, places where we can ALL be ourselves without prejudice or bias. We welcome applicants from all cultures and backgrounds to reflect the community we serve and we continue to positively advocate for diverse representation.

Everyone in the Primary Advantage Federation and its schools who comes into contact with children and their families has a role to play in safeguarding. School staff are particularly important in safeguarding and promoting the welfare of children as we are in a position to identify concerns early and to provide help for children. Our school staff form part of the wider safeguarding system for children to prevent concerns escalating. We work with the Children and Families Service, the police, health services and other relevant agencies to support and promote the welfare of children and to protect them from harm. We work in line with statutory guidance for schools and colleagues: Keeping Children Safe in Education (2023)
