36 hours per week**

Stormont House School has an exciting opportunity for an exceptional DT/ART Technician to join an outstanding secondary special school in the heart of Hackney.

Students at this school have complex and inter-related special educational needs to the extent that their ability to learn, thrive and develop in a secondary mainstream setting is significantly affected. Stormont House School promotes the highest ambitions for all of our young people, widening their horizons and raising their aspirations, embracing new technologies and initiatives to fully prepare young people with special education needs for their future as independent adults in an ever-changing world.

We are looking for an DT/ART Technician who:

- will provide technical support to teaching staff in the Design Technology and the Art Department.
- have experience of undertaking a range of design / art related tasks.
- previous experience of working in a design technology / art environment.
- is fully committed to our vision 'Achievement for all in a unique world-class school'
- will embrace opportunities to develop specialist skills within the school
- values and has the ability to develop effective professional relationships with colleagues, take responsibility for improving practice and make a positive contribution to the wider life and ethos of the school.

Our school:

- has a proven record of outstanding teaching and learning
- has excellent and supportive middle and senior leaders
- is committed to supporting continuous professional development
- has a team of staff that is recognised for its enthusiastic, friendly and rigorous approach to teaching and learning
- has students who thrive in a creative and challenging atmosphere
- has parents and carers who are supportive and ambitious for their children
- provides the opportunity for training in First Aid for which an allowance is paid
- promises you a supportive team and opportunities to develop your own skills and knowledge and considerable job satisfaction.
- Hours are 8.30am to 4.30pm

Closing date for completed applications: Wednesday 11th December 2019 at 8am.

Interviews take place on Wednesday 8th January 2020.
