We wish to appoint an experienced DT Technician to support the smooth and effective running of the DT Department within a busy secondary school.

*Haggerston School was judged 'good' by OFSTED in October 2017. The OFSTED report noted: "Staff have high morale. They are proud to work at the school and feel that leaders support them in a variety of ways. These include providing training to meet their individual needs. Teachers new to the profession value the high-quality mentoring and support that they receive. They also appreciate the career opportunities provided by the school."*

We are looking for someone who:

- is highly competent and who ideally holds up to date training on workshop equipment such as bandsaws, circular saws, pillar drills etc.
- will provide technical and curriculum support services to the Design & Technology Department; the curriculum includes Product Design, (Art)Textiles and Cooking & Nutrition
- has experience of working in an educational environment and with D&T equipment
- has the ability to work in an organised and methodical manner
- has an ability to work effectively as part of a team
- is self-motivated with an ability to work to deadlines
- is able to build positive relationships with staff and students
- is committed to delivering a quality, customer focused service

We can offer you:

- children and young people who are eager to learn and progress
- staff who are collegiate, committed to their own professional development and to improving outcomes for the students here
- an excellent physical environment recently refurbished and extended under BSF
- a school committed to your professional development
- work in a team where your skills, enthusiasm and hard work will be appreciated
