Holy Trinity CE Primary School

Deputy Headteacher 0.6

Holy Trinity CE Primary School is a one form entry primary school in the heart of Dalston. We are part of a federation of eight schools called Primary Advantage. Primary Advantage schools are exciting places with high expectations and we promote innovation, forward thinking and excellence. The federation offers the unique opportunity to be part of a community of teachers who regularly share best practice and learn from each other.

We believe that our schools gain many benefits from working collaboratively and can achieve more by working together. We have made a commitment to a shared responsibility to the wider education community, the provision of good quality education and the improvement of life chances for pupils in the community beyond that of our own schools. Teachers, support staff, school leaders and Governors have added expertise in working alongside colleagues to improve provision and outcomes for pupils.

We are looking for a highly motivated and talented leader to join our team as Deputy Headteacher. The role requires an outstanding teacher who can lead teaching and learning, modelling to colleagues and coaching them effectively to improve their practice. We are looking for someone who has a thorough understanding of the curriculum and how it can be used to motivate learners and ensure high standards of progress and attainment. We are looking for someone with energy and enthusiasm; someone who is committed and passionate about improving pupil outcomes.

We can offer you:

- well resourced, learning environments
- a dedicated and motivated staff team who strongly believe in teamwork and building positive relationships
- The opportunity to work in partnership with the Primary Advantage Federation of schools to achieve more together
- High quality cross federation support, including TLC workshops and federated INSET days
- high quality professional development to support your continued growth

We are looking for someone who will:

- lead learning and the curriculum
- be a member of the senior leadership team
- assist the headteacher in leading the school and deputise in her absence
- undertake such duties as are delegated by the headteacher
- have creative ideas with the ability to translate them into inclusive practice
- be deeply committed to improving student outcomes
