Deputy Headteacher Mandeville Primary School

Salary: L10 – L15

F/T and Permanent - ideally a January 2020 start

Mandeville Primary School is a good school in the London Borough of Hackney. We provide our children with a rich and engaging curriculum and achieve high standards of attainment and progress; this year we have been designated a Schools for Success school by the London Mayor.

Following the successful promotion to headship of our current Deputy Headteacher we are looking to appoint a new outstanding practitioner to help lead Mandeville forward on the next stage of its journey. Mandeville is part of the LEAP Federation and works very closely with its partner schools Kingsmead and Gayhurst under one governing board and Executive Headteacher. Mandeville is a friendly, well-resourced and supportive school that values staff wellbeing and CPD and seeks to ensure that we are constantly improving.

The successful applicant will have senior leadership experience and a strong track record in Inner city schools. They will be aware of current challenges in education and be an independent thinker, able to support the Associate Headteacher and work on their own initiative when necessary.

They will be able to provide necessary challenge to all staff and ensure that children's wellbeing and safety is always the priority. A creative, humorous and flexible attitude would be an asset. They will also be someone who understands how school to school support can benefit the whole education community. This is a non-class based role and requires an individual who has demonstrable strength in classroom practice, inclusion and ensuring that deprivation has no impact on educational achievement.

Application forms, job description and person specification from
