EQUALITY & DIVERSITY - ACTIVELY BUILDING OPPORTUNITIES FOR ALL

Haggerston is a diverse school community; a strength we celebrate and promote. We are committed to equality of opportunity for all members of the School Community and recognise our duty under the law to oppose all forms of discrimination, including on the basis of disability, gender, pregnancy and maternity, religion or belief, sexual orientation and marital or civil partnership status. We oppose all bullying and unlawful discrimination on the basis that a person has a special educational need or learning difficulty, or because English is an additional language. These beliefs are fundamental to how we think and operate as a school, our commitment to principled leadership, and to the values we teach our students.

We ensure that all policies and practices comply with the public sector equality duty set out in section 149 of the Equality Act 2010. However, we want to go further than meeting our statutory duty. In recognition of the lack of diversity in leadership across the education sector and beyond, we seek to provide opportunities for career development for all staff, including those who are often under-represented, such as women, black and ethnic minority leaders. There are some practical steps we can take to support this, such as welcoming applications from staff proposing job shares, looking favourably upon flexible working and part time requests and providing a range of leadership opportunities within school, such as leadership lectures (including from successful female, black and ethnic minority leaders). We are conscious in our recruitment process to mitigate against unconscious bias and seek, wherever possible to have diverse recruitment panels.

SAFEGUARDING

Haggerston School is committed to Safeguarding Children; we have no higher duty than to ensure student safety and wellbeing, educating students so that they can lead successful fulfilling lives. It is a responsibility shared by all staff, governors and those who visit our school.

We also work with parents, carers, local and national agencies to address concerns and keep children safe from harm and exploitation.

In executing these duties, we undertake to:

- Train all staff (including temporary staff) to develop their understanding of how to recognise the signs and indicators of abuse, to know how to respond to a child who discloses abuse and recognise signs of vulnerability to radicalisation or extremism
- Support staff who have dealt with issues around abuse
- Establish and maintain an environment where children feel secure, are encouraged to talk, and are listened to
- Encourage the development of self-esteem and resilience
- Ensure children know that there are adults in the school whom they can approach if they are worried
- Ensure there is a member of staff designated for the support of 'Children in Care'

- Include opportunities in the PSHE curriculum for children to develop the knowledge needed to recognise and stay safe from abuse
- Regularly review and update our procedures, policies and practices
- Work with parents and carers in partnership to create positive relationships that safeguard children and support families
- Work with agencies to share information and support families
- Ensure robust safer recruitment processes are in place at all times, including for temporary staff and visitors to the school site.
