Ms Anna Feltham: Headteacher

Dear Candidate,

Thank you for considering joining us as a **Key Stage 5 Learning Mentor and Academic Support Worker**. We're delighted you're interested in becoming part of the CGA community.

CGA is a vibrant, ambitious school where every student is encouraged to aim high and every member of staff is supported to thrive. We're proud to share some of our recent achievements:

- Outstanding in all areas – Ofsted, May 2024
- Silver Secondary School of the Year award (Pearson) 2025
- Autism Inclusion Award (National Autism Society) July 2025

Our inclusive, all-girls sixth form is in the top 25% nationally for student progress, with our students achieving some of the highest A Level and BTEC results in the country. We believe in the potential of every individual and are committed to supporting our students throughout their sixth form journey. We are incredibly proud of the destinations our students go on to achieve, whether that is university, an apprenticeship, employment or further education.

With over 300 students, our sixth form is a vibrant, ambitious and happy place to learn and work. You will join a dedicated team of professionals who are passionate about helping young people succeed and ensuring that every student is supported to reach their full potential. Our aim is simple: students truly arrive with a dream and leave with a future.

Your Wellbeing Matters

We know that great learning for students starts with happy, healthy staff. That's why we prioritise work-life balance and staff wellbeing. Here are just a few ways we support this:

- Flexible working options to help you balance your professional and personal life;
- A two-week October half-term to give you time to recharge;
- Regular opportunities for staff feedback – we listen and act on what matters to you;
- A comprehensive wellbeing programme.

As a member of our team, you'll benefit from excellent CPD, access to excellent professional development, and the chance to grow in a school that values collaboration, and creativity. We're proud to be an anti-racist school and are committed to building a staff team that reflects Hackney's rich diversity. If you're passionate about shaping the next generation of female leaders, we'd love to hear from you.
