Staff Benefits

We understand teaching and working in schools can be hugely rewarding but can also be demanding. Our staff are totally committed to the young people, colleagues, and families in our community. We seek for all our staff to have a healthy work-life balance. Our staff benefits are one way we show our appreciation to our staff.

Development and Training

Quality continuing professional development is essential to ensure everyone maintains and enhances the knowledge and skills necessary for a positive learning environment. As practitioners, we seek to be well-informed about recent evidence-based research. At SNS, we allocate time to implement strategies so teaching practice maximise the learning in the classroom. The SNS Teaching and Learning Hub is the teacher training, professional development, and quality assurance element of our school. The Hub, led by the Assistant Headteacher leading on Teaching and Learning together with the Lead Practitioner and Early Careers teacher Mentor, provide support and expertise to staff and departments across the school.

Flexible and Family Friendly

We know it can be challenging finding the right work-life balance. We want the absolute best people to work in our school, and so we want to support flexible working. We are able to consider flexible and family friendly working opportunities to include part-time, term-time working and job-sharing arrangements. The number of part-time staff is above average for similar schools, and we always try to accommodate if the timetable and resources permit. It is important that staff who are parents, do not miss important milestone events, such as your child's first day at school or graduation. Where we can, we will support these important

moments. As part of our admission policy, staff members with children who wish to attend SNS are given a priority school allocation.

Pensions

Pensions are an important part of our life planning. We understand that and we want to make it as easy as possible for you to access the right pension scheme for you. When you join SNS, you are eligible to join the relevant pension scheme.

Health and Wellbeing

Balancing everyday life with the requirements for work and home can create pressures for all of us. Work is a large part of people's lives. Each member of the teaching staff is equipped with a laptop. However, it is vital to ensure that there is a productive, healthy environment that is conducive to a healthy lifestyle. We actively encourage emails to only be sent during 7am and 6pm of a school day, and not during the weekend. The school will operate a texting service to alert staff should there be a need in an emergency.

A subsidized lunch from our school canteen helps our staff through the day. The culinary offer is wide and highly popular with staff and students alike.

Optical expenses – we offer free eye tests for staff who use display screen equipment.

All employees are part of the Employee Assistance Programme. The Employee Assistance Programme is a 24/7 confidential service giving employees access to a range of support from lawyers, health, and wellbeing professional, financial and debt specialists, and counsellors. This free service can be used to support you with any personal or work-related issues that may be affecting your wellbeing.
