

March 2026

Dear Applicant,

Thank you for your interest in becoming Jubilee Primary School's Head Teacher. I hope you will find this information pack gives a useful introduction to our school.

Jubilee is a popular two-form entry school towards the northern end of Hackney, East London. We are lucky to have an attractive school site with dedicated playgrounds, some green outdoor spaces and other facilities. We are a diverse, inclusive school committed to providing all our children with the best possible education and start in life. We like to think that we do this through combining high academic standards with the opportunity for every child to develop their creative talents, sporting ability, confidence and self-esteem. Our children feel valued, safe and happy, and reach high standards of achievement.

This approach has made us a sought-after school for parents. We have worked hard over many years to earn our reputation for helping all our children enjoy their learning and think independently so that they can fulfil their potential, both now and in future.

Our Head Teacher will be retiring at the end of this academic year and we are looking for a professional, enthusiastic and strategically thinking leader who is able to communicate successfully with the school's many stakeholders. This is a wonderful opportunity for someone who enjoys a challenge. The right candidate must be confident of having the vision, ambition and leadership skills to maintain the strong foundations which the school and its staff have already built, but also find ways to inspire future growth and sustainability.

As a new Head Teacher, you will be joining a well-established, dedicated, talented and cohesive staff team.

This Information Pack will provide you with a picture of what Jubilee aspires to be for all its pupils, what it offers, the type of Head Teacher we are looking for and how to apply for the post.

If you are interested in applying, we encourage you to visit the school. We are happy to arrange visits by appointment between **9th-21st March**. Please contact the school office on 020 8806 5446 to arrange a visit.

Yours sincerely,

Patrice North
Chair
Jubilee Board of Governors
