The Bridge Academy is a truly exceptional school. Our students' progress is consistently excellent for GCSE and A level, and our superb personal development offer means that over the last few years we have been national debating champions, enjoyed a host of sporting successes and won both the Incorporated Society of Musicians Gold Award and the Hackney Mayor's award for music.

Why choose us?

- Excellent student behaviour and highly supportive Senior Leadership Team.
- An achievement-oriented culture where students work hard and it is cool to be smart.
- A warm/strict approach, meaning that our high standards do not come at the expense of inclusion.
- The belief that teaching must be a sustainable profession: clear systems and structures, sensible approach to feedback and no 'late night culture'.

We are seeking a Mathematics Teacher who is totally aligned to our values of Hard Work, Integrity and Kindness, and completely committed to our mission: to ensure that every student will succeed at a good university or equivalent, thrive in their chosen field and live a great life.

In addition to Maths at KS3-KS4, it is a popular choice amongst Sixth Form students, with a number of enthusiastic, committed and hard-working students studying the subject every year. The ability to teach Maths up to KS5 is desirable but not essential. This is a great opportunity for a subject specialist who is seeking a new challenge or career progression. If you want to make a profound difference to the lives of our students, we would love to hear from you. Applicants who are seeking to work part time are welcome to apply and should make this clear on their application form.

Our sponsors UBS provide significant support to the Academy, and we also work with a wide variety of community groups to ensure the best for all our students. Our award-winning building is outstanding and is based at our stunning canal-side location, just minutes from Haggerston Station and just over a mile from the heart of the City of London.
