The New Wave Federation consists of 3 high performing and innovative primary schools in Hackney, London. In all our schools we have a passion for high standards and want all our children to achieve their potential and be inspired to go beyond that. We aim to provide the best possible primary education in a stimulating and creative environment. Vacancies are available across all three school sites.

We are looking to appoint teaching assistants to work in classrooms offering 1 to 1 support for children with special educational needs. *School SEND based experience is essential.*

The role requires someone who is passionate about children's learning and who has a rich knowledge and understanding of how learners learn. The right person will be someone who is up to date with 21st century education, who can use new technologies and who is creative and resourceful. Our parents and carers want the very best education for their children and so do we.

Your communication skills will enable you to build a friendly and professional relationship with staff, pupils and parents. Our schools are vibrant, diverse and inclusive. There are challenges but also great rewards in the work here. If you are an effective communicator, have vision, energy and believe that every child can and will succeed, we would like to meet you.
