About the school:

Morningside is an outstanding two-form entry primary school in the London borough of Hackney, located very close to Hackney Central in the heart of a diverse, vibrant and exciting community. Our children come from truly diverse backgrounds, many different languages are spoken. Our school has been through a period of change over the last few years and our aim is to build on the hard work that enabled the school to make rapid improvements and to secure excellent learning opportunities for all of our families. We are seeking an Nursery and Extended Services Lead who is highly motivated and talented to work alongside our dedicated staff to support children and their families.

About the role:

We are seeking a dedicated and experienced Nursery and Extended Services Lead to join our Children's Centre. This is a fantastic opportunity to lead and support a dynamic team while making a meaningful impact on children and families in the community. You will be responsible for ensuring the highest standards of education and care for young children, leading the 2-3 year old Rainbow Nursery, and supporting children with special educational needs. In addition to direct classroom leadership, you will work closely with families, multi-agency professionals, and community partners to create a nurturing and inclusive environment. This role offers a unique opportunity to shape the early years experience for children while also contributing to the development of innovative programs that support early childhood development and family engagement.
