

Dear Candidate,

Thank you for expressing an interest in the post of Physics Teacher at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a World Class School and leading member of the Hackney Teaching Schools Alliance (HTSA).

Student outcomes at Clapton Girls' Academy are outstanding. 80% of our students achieved grade 9-4 in both English and maths in 2017. Progress is outstanding with students achieving on average $\frac{1}{2}$ of a grade higher than expected in all GCSE subjects (Progress 8 = 0.52). 68% of students who were entered for the English Baccalaureate achieved 9-4/A*-C in all areas. This has been achieved with a cohort where approximately half of students are from disadvantaged backgrounds and results achieved by these students are significantly better than similar students nationally. Our popular sixth form continues to grow and our Key Stage 5 results are among the best in Hackney and are in the top 10% of sixth forms nationally. We are also exceptionally proud of our Key Stage 5 BTEC students whose results are in the top 1% nationally.

The science faculty is a well-resourced department that is passionate about inspiring women into STEM subjects. The faculty is made up of 13 teachers, 3 science technicians and a dedicated science learning assistant. The departmental vision is to motivate and challenge all students at all levels to engage with science and scientific debate both inside and outside of the classroom. To support this a range of extracurricular clubs, including student intervention at all key stages, are offered. The faculty also recently won the JP Morgan STEM award.

As a school, we are looking for staff who are committed to developing confident and capable learners. We expect hard work, skill and dedication, and in return will provide an excellent working environment, competitive rates of pay and a comprehensive staff benefits package.

If you feel that you can make a positive contribution at Clapton Girls' Academy, please apply via our website, <http://www.clapton.hackney.sch.uk/current-vacancies/teaching-vacancies/>

If you have any questions or would like to arrange a visit to the academy, please do not hesitate to contact me. I look forward to reading your application.

Yours faithfully,

Anna Feltham

Headteacher
