

St John the Baptist Primary School Class Teacher Position- middle leadership

St. John the Baptist is an exciting place to work, filled with inquisitive children, supported by a community of diverse families and inspiring organisations, striving to ensure all children thrive. We believe that every child should be connected to their identity, to the world around them and ready to dream bigger and reach higher. This is what drives our school and our learning.

Having secured our outstanding Ofsted in October 2017, St. John the Baptist is looking to the future. The school is part of the Primary Advantage Federation in Hackney, enabling us to offer:

- high quality professional development to support a teacher's continued growth
- the unique opportunity to be part of a community of teachers who regularly share best practice and learn from each other
- a wide range of leadership development opportunities across the Primary Advantage Federation

We are looking for an inspired and thoughtful teacher to work at St John the Baptist Primary School from September 2018. We are looking to develop our team of middle leaders and TLRs are available for the right candidates.

We wish to appoint a class teacher who:

- is enthusiastic, hardworking and committed to supporting all pupils
- has excellent teaching, organisational and interpersonal skills
- has the potential to develop others effectively and work as part of a team
- has highly reflective practice
- has creative ideas with an ability to translate them into inclusive practice
- is committed to improving student outcomes

Visits to the school are warmly welcomed and encouraged. For queries in regards to the post or to return applications, please contact our Finance and Admin Manager, Yvonne Whelan, at ywhelan@st-john.hackney.sch.uk
