Dear applicant,

Thank you for your interest in a Learning Support Assistant position at The Betty Layward Primary School. I hope you find this pack a useful introduction to our school.

The Betty Layward Primary School opened with 90 Nursery and Reception pupils in January 2000, and established two new classes each year until it reached its full roll of 450 pupils in September 2006.

Since September 2007 we have been applying a cross-curriculum model to teaching and learning to ensure that appropriate provision is in place to develop the whole child. Our pupil progress meetings track each child through the school. New interactive whiteboards and software in each classroom, support cross-circular learning.

We want our children to feel confident, to enjoy learning, to see themselves as successful lifelong learners and to have responsible attitudes towards themselves and others. We have an ethos of high aspirations, high achievement and continuous improvement.

We can offer you:

- a calm, welcoming and friendly environment
- a truly committed and creative staff
- active and supportive parents and governors
- inspirational, friendly and talented children

I hope that what you read in this pack inspires you. If you require any further information about the school, please contact Teresa O'Donnell on 020 7249 7111. We look forward to receiving your application.

Yours faithfully,

Jessica Bailey  
Headteacher
