**Re: Federation Spanish Teacher across the Blossom Federation**

Dear Candidate

Please see the information for the position of Federation Spanish Teacher. This also includes the job description and application form.

The Blossom Federation are three primary schools including Daubeney and Sebright Primary Schools; and two Children Centers in the London Borough of Hackney. We are three successful but individual schools with a shared vision for excellence.

Please spend some time looking at our school websites to see a flavour of our educational ethos and what we want our children to experience in their learning. This will be useful for you as part of the recruitment process.

I wish you every success with your application and look forward to receiving it.

Yours sincerely,

Robin Warren

Executive Head Teacher

**Lauriston School**
