HEADTEACHER APPLICATION PACK

Wentworth Nursery School
and Children's Centre

WELCOME TO OUR SCHOOL

Dear Applicant,

Welcome to Wentworth and thank you for your interest in becoming our new Headteacher.

We are recruiting a Headteacher who will be able to build upon the outstanding work already taking place at Wentworth Nursery School and Children’s Centre; extending and developing practice, to ensure that all members of our community are included, our welcome is open to all, and that our families see themselves positively reflected, represented and participating within our environments.

Wentworth Nursery School has been part of the educational landscape in Hackney since the 1950s and has been judged “outstanding” by OFSTED since 1998. In 2008 we opened our Children’s Centre in a nearby building. Our staff and governors are committed to Wentworth as beacon of excellence and innovation, as the community we serve deserves the best. We are proud to share the results of our research and development by providing support and training to other settings in Hackney as well as for national organisations.

Our new Headteacher will be able to work constructively with both staff as well as a wide range of partners to ensure that all our families are safe and comfortable in our settings. Furthermore, the Headteacher will ensure that their children are able to engage in high-quality learning experiences and exceptional teaching, rooted in pedagogy. To enhance Wentworth’s offer to all our families, our new Headteacher will collaborate with staff to develop strategies which will promote integration between the Nursery

School and Children’s Centre. To enable this, our new Headteacher will be passionate about developing the skills and unique qualities of our staff whilst simultaneously building on the wellbeing strategies already in place.

To help secure the sustainability of Wentworth our new headteacher will be willing to explore different options to raise revenue on both sites and increase occupancy in the Nursery School and the reach of the Children Centre.

We would love to meet you and show you around our amazing School and Children’s Centre. Please call Lisa Purcell, (Bursar) on 0208 985 3491 to make an appointment on one of the following dates, 7th October and 14th October 2022. ABOUT US

Wentworth Nursery School and Children's Centre are situated within a vibrant and diverse community; exploring and celebrating the cultures within this community is an essential part of our offer and curriculum. It is our ambition that every child and their family should feel welcome and part of the Wentworth family; both Children's Centre activities and the Nursery School curriculum are constantly reviewed and developed to ensure that families from all backgrounds and those with differing educational and social needs are able engage in rewarding educational experiences and make progress.

The exceptional commitment and expertise of Wentworth's staff is the setting's greatest strength; the impact being amplified by the unwavering focus on child-led learning. Through reflection and research, staff are continually driving practice forward, initiating a virtuous circle of innovation, implementation and reflection, which, in turn, enhances what is offered to both children and their families; ensuring all children make substantive progress. As a consequence, the quality of the practice at Wentworth has been recognised both locally and nationally. Wentworth has recently delivered training to six local settings on Developing Children's Vocabulary and also to the Hackney Teaching and Schools Alliance on Risk Taking in Outdoor Play. Wentworth has also provided resources for national agencies such as OFSTED and

organisations such as Nursery World. We recognise that the wellbeing of staff is essential to the delivery of Wentworth’s exceptional offer, therefore there is an ongoing focus on staff’s wellbeing on both a strategic and practical level.

Wentworth Nursery School and Children’s Centre are situated on two sites in south-east Hackney, a very short walk apart. Both sites have large outdoor areas, which are integral to children’s learning and families’ experience. Proximity to both local amenities and the cultural institutions accessible in central London provide exciting opportunities to broaden the experience of children and their families. Our Children’s Centre offers a wide range of services, including play sessions, baby massage, adult and community learning

as well as health services and family/prenatal support. Opportunities and resources at the Children’s Centre are balanced to ensure the access of our most vulnerable families.

In challenging times, the sustainability of both the Nursery School and Children’s Centre is an ongoing focus. The Nursery School has responded to the changing demographic through adaptations such as breakfast/tea club and developing provision for two-year-olds. In the light of this, the Children’s Centre has strengthened its emphasis on the under twos, providing more sessions reflecting the needs of this age group, which are heavily subscribed. However, a number of issues remain including occupancy at the Nursery School and the pending transition to Family Hubs for some Children’s Centres in Hackney.
