We are seeking an outstanding Drama teacher who is willing to take our well established and successful Drama department to the next level. The curriculum will be fully bookleted by July 2024 and requires a strong candidate to take planning and delivery to the next level. As a school, we are committed to Drama as a discipline. All middle leaders are open to apply to our Associate Senior Leadership programme which involves joining the SLT as a paid position for a year.

Our Vision:

“Be the best you can.” This is what we ask of our pupils and our staff.

At Skinners' we have a particular way of working. We believe that teachers are the experts, and that great teaching is based on our ability to instruct and assess to a very high standard. We are influenced by the work of Rosenshine, Engelmann, Young and Lemov among others. If you are familiar with their work, or are willing to learn, then you will likely enjoy our focus on simple, high leverage strategies to improve learning in the classroom.

We believe in the power of the curriculum and so intentionally have the following at the core of our practice:

- A pragmatic approach to pedagogical practice that reduces teacher workload
- Teaching powerful knowledge rather than parroting the knowledge of the powerful
- CPD which is rooted in the best educational research, often with a foundation in cognitive science

Skinners' Academy is on a journey from Good to Great and this has been confirmed by Ofsted in May 2022; “leaders and governors remain focused on doing the right things to improve the school further. They have developed an ambitious and clear long-term plan that outlines how they will reach their vision”. The recruitment of a skilled and enthusiastic **Head of Drama** is crucial to the success of this journey.
