Introduction from the Principal

Dear Applicant,

Our Vision: *"Be the best you can"* - this is what we ask of our pupils and our staff.

We are committed to providing the very best educational experience for our young people and invite applicants who share this commitment and want to be a part of our success story. We believe in the power of the curriculum and so intentionally have the following at the core of our practice:

- A pragmatic approach to pedagogical practice that reduces teacher workload.
- Teaching powerful knowledge rather than parroting the knowledge of the powerful.
- CPD which is rooted in the best educational research, often with a foundation in cognitive science.

The Academy is on a journey from Good to Great and this has been confirmed by Ofsted in May 2022; *"leaders and governors remain focused on doing the right things to improve the school further. They have developed an ambitious and clear long-term plan that outlines how they will reach their vision"*.

About You

- You can motivate and inspire pupils to build on their current achievements.
- You have excellent interpersonal skills and a commitment to collaborative working.
- You are committed to working in an inner-city school and believe that such schools should provide the best possible environment for academic success and personal development.
- You have an excellent track record of outstanding teaching across Key Stages 3 to 5.
- You are resilient and have a great sense of humour, as you never give up.

About Us

- Reconfirmed as a 'Good' school by Ofsted in May 2022.
- We provide a world class education for boys and girls aged 11-19, in a modern state of the art building that opened in September 2010.
- We provide a welcoming, caring and stimulating environment with excellent teaching facilities.
- We have pupils who strive to maximise their achievement and are fully supported by parents who work with us in partnership.
- We have excellent transport links; 5-minute walk from the bus stop or 7-minute walk from Manor House tube station which serves the Piccadilly Line.
- We have high-quality teaching staff who are fully committed to supporting pupils' academic and personal development.
- We offer excellent opportunities for your own professional development.
- We believe qualifications open doors but are only part of the story. All children deserve a full rounded education.

Thank you for your interest in our Academy. I look forward to receiving your application.

Shereka James

As an Academy, we will ensure that students understand the skills of Enterprise and that they can use these effectively to carve out their desired futures.

"Enterprise is about motivating young people to learn and excel in their education and to see the relevance of their studies. It is more than the creation of entrepreneurs, it is about a can-do and positive attitude and equipping people with the confidence to develop ambitious career and vocational interests. Enterprise therefore supports the development of a wide range of work and professional skills and capabilities, including resilience, risk taking, creativity and innovation, as well as a self-belief that starting a business is a viable career choice and one of the most exciting and challenging things a person will ever do."

The Trust builds on the longstanding collaboration and shared values across the family of schools supported by The Skinner's' Company, one of the Great Twelve Livery Companies of the City of London. The Company is a major not-for-profit

organisation with a well-established reputation for philanthropy dating back some 700 years. Education is a core charitable purpose and its schools aspire to provide all their young people with the opportunity to make the most of their talents and fulfil their potential.
