Permanent Role: KS1/KS2 Class Teacher + Science Lead

Start Date: September 2022

Hours: Full time

Salary: MPS/UPS + TLR 2a

William Patten is a successful and inclusive two-form entry Primary School in Stoke Newington, Hackney, with easy transport links into and out of Central London.

We are seeking to appoint an exceptional teacher with the additional responsibility to lead Science across the whole school. The successful candidate will demonstrate an expertise in the subject as well as the enthusiasm and ambition to maintain high standards in all key stages. They will contribute to curriculum change and policy design, support teachers with planning and resources, lead INSET sessions and organise annual Science Week and STEM events. This role would suit an experienced, motivated and driven teacher looking for the next step in their career. All subject leads are fully supported by an established Senior Leadership Team and CPD opportunities.

Applicants should be willing to immerse themselves fully in the life of our inclusive and creative school, which is in the heart of Stoke Newington's diverse community. Successful candidates will demonstrate an understanding of and commitment to the school's aims and ethos.

We are a happy school community with a talented and dedicated team of staff, amazing children and supportive governing body. Our curriculum is ambitious and we work hard to enrich every child's learning experience with additional opportunities and exciting projects. We have high expectations and value success in academics as well as good citizenship, social communication skills and emotional intelligence. Our school community cares for each other and works hard.
