## **COLLECTING DATA FOR TEST AND TRACE**

In the current pandemic, we may need to store your data for test and trace purposes. This is in order for the school to engage with the test and trace process, make decisions on safety within the school and whether individuals are required to self-isolate or carry out a test.

We may also ask for data that has not previously been supplied. This will allow us to assess an individual's ability to attend/return to school and what measures may need to be put in place to allow for a safe return. We, additionally, may need to collect data about individuals that you reside with in order to factor in appropriate considerations for their wellbeing.

All data collected by the school will be processed in accordance with our retention, destruction, data protection and data security policies. Data collected solely for NHS test and trace purposes will be retained for 21 days in accordance with government guidelines.

The legal bases for using your data in these circumstances will be for the reasons of substantial public interest and in the interests of public health. Dependant on circumstances the basis may be to assess the working capacity of an employee or to protect the vital interests of yourself or another person. We may need to share select data with others. This can be with the NHS and emergency services, public health, public authorities as well as other stakeholders. This will only be done where it is necessary and proportionate for us to do so.

## **DATA SECURITY**

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

## **DATA RETENTION**

We will only keep your information for as long as we need it or for as long as we are required by law to keep it.

If you are unsuccessful at the interview stage then we will retain your personal information for 6 - 12 months after the interview process. We retain your personal information for that period so that we can show, in the event of a legal claim, that we have not discriminated against candidates on prohibited grounds and that we have conducted the recruitment exercise in a fair and transparent way. After this period, we will securely destroy your personal information.

If we wish to retain your personal information on file, on the basis that a further opportunity may arise in future and we may wish to consider you for that, we will write to you separately, seeking your explicit consent to retain your personal information for a fixed period on that basis.
