Our Vision:

"Be the best you can" this is what we ask of our pupils and our staff.

We are committed to providing the very best educational experience for our young people and invite applicants who share this commitment and want to be a part of our success story. We believe in the power of the curriculum and so intentionally have the following at the core of our practice:

- A pragmatic approach to pedagogical practice that reduces teacher workload
- Teaching powerful knowledge rather than parroting the knowledge of the powerful
- CPD which is rooted in the best educational research, often with a foundation in cognitive science

The Academy is on a journey from Good to Great and the recruitment of a skilled and enthusiastic **Vice Principal** is crucial to the success of this journey.
