

Dear Candidate,

Thank you for expressing an interest in the post of Maths (with Economics) at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a World Class School and leading member of the Hackney Teaching Schools Alliance (HTSA).

Student outcomes at Clapton Girls' Academy are outstanding. 78% of our students achieved grade 9-4 in both English and maths in 2018. Progress is outstanding with students achieving on average  $\frac{1}{2}$  a grade higher than expected in all GCSE subjects (Progress 8 = 0.56). 82% of students who were entered for the English Baccalaureate achieved 9-4/A\*-C in all areas. This has been achieved with a cohort where approximately half of student are from disadvantaged backgrounds and results achieved by these students are significantly better than similar students nationally. Our popular sixth form continues to grow and our Key Stage 5 results are among the best in Hackney and are in the top 10% of sixth forms nationally.

If appointed, you will get the opportunity to work within an experienced, collaborative maths department alongside staff committed to ensuring students reach their full potential. Last academic year 80% of our KS4 maths students achieved a grade 9-4, 62% achieved a grade 9-5, and 34% achieved a grade 9-7. We also had 8% of students achieving a Grade 9. At KS5, 83% of students achieved A\*- C. The timetable for this role would include some teaching of economics or financial studies at KS5. This aspect of the role would be supported by our very experienced head of Business and Computing.

We are looking for staff who are committed to developing confident and capable learners. We expect hard work, skill, dedication and a willingness to promote the wider aspirations and values of the school. In return will provide an excellent working environment, competitive rates of pay and a comprehensive staff benefits package.
