

Clapton Girls'  
Academy  
Est. 1906

Challenge, Wellbeing, Teamwork

Dear Candidate,

Thank you for expressing an interest in the post of Mental Health and Student Outreach Coordinator at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a World Class School and leading member of the Hackney Teaching Schools Alliance (HTSA).

This role will involve coordinating and delivering impactful mental health support and mentoring across the academy for our students. We are looking for someone with strong mentoring and safeguarding experience who is committed to making a positive impact on the lives of our young people by building strong relationships with families and external agencies. We expect hard work, skill and dedication, and in return will provide an excellent working environment, competitive rates of pay and a comprehensive staff benefits package. Serving as the Mental Health and Student Outreach Coordinator provides a strong pathway for pastoral career advancement within the academy and across the wider education sector.

We are proud of our stance as an anti-racist school and recognise the importance of having a staff body that reflect Hackney's rich and diverse community. If you have the experience and passion to be an inspirational role model for our next generation of female leaders, then we want to see how we can support you in that pursuit. We particularly welcome applications from people from groups who are underrepresented in the education system. We want the best staff, and we know that means a diverse staff.

If you believe you can make a meaningful contribution by monitoring student progress, supporting mental health and wellbeing, and evaluating the impact of targeted interventions at Clapton Girls' Academy, we encourage you to apply via our website.

If you have any questions or would like to arrange a visit to the academy, please do not hesitate to contact me. I look forward to reading your application.

Yours faithfully,

Anna Feltham

**Headteacher**
